Resolved

That we the Board of Guardians of Clifton Union, beg to state that the report sent by John P. Joyce of Droopscawanna Recess against Dr. Loftus of Roundstone is a trumped up and unjust one, designed by some malicious person and should never have been brought.

The Doctor at the request of Mrs. Joyce's husband gave the medicine and advice required for the patient, as sworn to by Joyce and would have gone to see her, but that the husband mistook her to come until he heard for her again.

We have the utmost confidence in Dr. Loftus, who to our personal knowledge has proved himself during the past twenty three years, to be invariably most attentive, kind conscientious and efficient in the discharge of his duties towards the sick poor in his vast extensive district, and consequently we respectfully urge the Local Government Board to withdraw the suggestion made in their letter of the 25th ultimo with reference to Dr. Loftus.

The Chairman Clifton Board of Guardians
Dear Sir

Dear Sir

I am very sorry I cannot attend your meeting on Wednesday next, my reason for regretting it is that I should wish to hear the result of the inquiry about a charge preferred against Dr. Loftus. As Parish Trust & Warden of this district you will listen to what I have got to say about Dr. Loftus. It is simply this:—

The charge made against him at Recess is flimsy in the extreme and dictated by malice. I know of my own knowledge that for some time back certain parties at Recess have been set to watch him, and this flimsy charge is the only one they could make up against him.

A distinguished medical student in his day, a very efficient medical practitioner as every body must testify, a man with a long and well family, a servant of Jesus for the past 24 years, serving all the sick of ~~the~~ a district as large in area as an ordinary diocese. Surely you will not allow that such a man be ever reprimanded for such a comparatively trivial offence as that which is at present alleged against him.

Faithfully yours
P. G. Mason P.P.
M. Joyce

Clerk of the Union..

Resolved that:-

Following up our resolution of the 12th inst. we the Board of Guardians beg again for the information of the Local Government Board ^{to record} our implicit confidence in Dr. Loftus who has been an efficient and most kind medical Officer towards the sick poor of this Union for over 23 years.

We are still of opinion that the very flimsy charge alleged against the Doctor was a trumped up, malicious and unjust one, without due foundation.

We therefore consider it quite unfair to deal with this matter further, without convening a full

meeting of this Board, which we hereby
direct our clerk to do for this day
fortnight so as to fully consider the
matter, and we request the Local
Government Board to take no further
steps in the matter until we forward
them the result of our deliberations

at said general meeting of this Board
