Dear Mr. King.

I'm here since Wednesday & I find things in the Dispensary in a bad condition. I'm without a lot of things I require. No surgical appliances etc etc I trust it won't be causing you very much unnecessary trouble to let me know how or where to apply for such things.

I believe there is a big crowd of youngsters to be vaccinated & there is no lymph or vaccination implements here.

I'm sure to make a deplorable mess of filling what books I'm to have for the first occasion and a word of how to go round the matter would be gratefully received.

Sincerely hoping I'm not causing you trouble in the asking.

Festus King Esq.

Yours very truly,  
Wm. Holgrady

Roundstone.  
Bogalway

Dear Sir,

Yours received this morning. I enclose you form filled up as requested. As regards Surgical & Medical Instruments that should be in Barma Dispensary I know nothing. The only instruments I saw there were teeth forceps. Dr. Ashe left me a Midwifery forceps, & a few other small things which I have

I do not know whether they belong to Dr. Ashe Roundstone Dispensary or Carna. They are the only instruments I have as there were none in the Dispensary. I understood that I was to do "locum" here till I was sanctioned by the L.G.B. Is that so? According to the endorsed form you have me dated from the 11th Nov. the date of election. That is before I am sanctioned. I presume the L.G.B. will have me sanctioned by your next meeting & then I could take up duty but I expect the Guardians will be so kind as to allow me off for some reasonable time to furnish the same when it is ready. I wish to bring under their notice that the Roundstone No 1 Dispensary is badly in need of Drugs & Instruments & would ask you to forward me a Requisite Sheet to be filled up for the necessary Drugs etc.

(Dr) J. F. Collins

Roundstone Co Galway

Dear Sir  
I enclose you will find a list filled in as best I could. Roughly the only Instruments I got from Dr. Ashe or found here are:-

- 1 Midwifery Forceps (good) 1 Sinus Forceps (good)
- Teeth Forceps as shown on list.
- 1 Douche - 1 Senee Splint
- 1 Scissors (not in my opinion fit for use)
- 1 Hypodermic Syringe & needles (since broken)
- 1 doz Needles - 1 Roll Silk (Cat gut)
- 1/2 " Catheters (Male) - 1 Pessary - Trusses 6-8
- Some Cotton wool - 2 Ring do.
- " Prostatic felt. Haemorrhoid Evener.
- Drainage tube (about 1 yd) 1 Urinometer
- 1 Vaccination Lancet.

Yours etc

Mr. King

Yours of the 18th inst to hand. As regards the Medical & Surgical Instruments at Roundstone Dispensary I wish to state that a list of the Medical & Surgical Appliances which I left at the Dispensary when going on holidays will be found in the Surgical Instrument Book left for that purpose.

You already know there were no Instruments at Roundstone Dispensary (except 1 doz Catheters & a few trusses) when I took up duty. Having endeavored at your office yourself being present, the few rusty Instruments which my predecessor had. Therefore the only Instruments at the Roundstone Dispensary are those which I ordered, which can be checked from the original Requisition forms compared

Put in the Surgical Instruments Book.  
 Now as regards the Medical & Surgical Instruments at Carna Disp. & all I can say re same is that after resigning the permanent position of M.O. of the Carna District I sent you a list of the Instruments Medical & Surgical left by me at Carna & I also sent a similar list to Dr. Gorham who took up temporary duty in Carna after I leaving. Dr. Gorham resigned the temporary duty on Aug 15 & I took it up on Aug 16 & kept it till Oct 22 when I went on holiday. Dr. Collins was then appointed from that date (Oct 22) while acting as temporary M.O. in the Carna Dt. from Aug 16 to Oct 22 I did not see touch or use any of the Carna Instruments except Tooth Forceps which were in the desk at the Disp. (Carna) & which I left there. When I required to use any instruments while doing temporary duty in Carna I used my own private ones. I did not wish to use the Disp. Instruments not having got a list of same when taking up duty.

If my name should be mentioned at the Meeting on 25<sup>th</sup> inst in connection with the Medical & Surgical Instruments at Carna & Hamdstone you will be in a position to explain matters clearly to the Members of the Board. For this reason I am writing the above particulars - Hoping you are quite well.  
 Yours very sincerely  
 P. Ashe
