Definite information has reached this Department that minutes of the proceedings of your Board and its constituent Rural District Councils are still being forwarded to the English Local Government Board in contravention of the Dail Decree of the 17th of September which orders a complete severance of relations between Irish Public Bodies and that Department of the English Government.

You are requested to write immediately to the "Chairman of the Estates and Finance Committee Dublin Corporation" stating whether minutes are being forwarded to the enemy institution by direction of your Board and its constituent Councils. If the members of your Board or the Councils concerned are not themselves responsible for this breach of the Dail Decree, they should at once take

Steps to investigate the matter and deal with the guilty person whose action is bringing discredit on the Guardians and Councilors.
