Resolved:— as the time the County Council  
has the 13<sup>th</sup> section of the Act which  
will expire on the 16<sup>th</sup> March, and  
as great and exceptional distress exists  
in this Union, the request the Board  
Council will call on the Local Board

2 months longer. Works are only low  
about being commenced, and as  
the County Council cannot afford more  
than a halving in the L. removal of the  
section is absolutely necessary if  
the poor and destitute people of the  
Union are to be kept from starvation  
and beggary. The relief works except those  
who are actually destitute, and  
we invite the County Council to send  
a deputation to our district to  
interview more fully & see for them

Gentlemen,

I beg to report for your information that on the 19th Dec 1904 you were kind enough to allow me an assistant in connection with the seed supply, on the 16th January you allowed me another assistant. Mr. Mori jr. both at 1st a week Mr. Mori had to leave on the 30th January and I substituted him by Mr. Hara and on the 6th Febry I was obliged to procure the services of Mr. Cloonan to assist for the purpose of checking on the arrival of the steamers and at the distribution. I however find that I omitted submitting the names for your approval with the result that I felt obliged to dispense with this service on the 6th inst. I now request that you will approve of this employment and should you enter into a further contract today for a further additional supply of seed you will continue this service for a few weeks longer as the clerical work attending the distribution of such a large quantity of seed potatoes, owing to the irregular manner in which lists of persons requiring seed are being submitted any amount of unnecessary

Trouble and inconvenience is caused,  
 must also bring under your notice  
 the valuable assistance rendered by Mr.  
 Wm. Blackhouse (who also acts as  
 storekeeper) in the way of copying and  
 comparing the lists for the past five years  
 and I trust when the time arrives  
 for remunerating him you will treat him  
 fairly. Mr. Wm. Blackhouse the  
 distribution of the seed at Clifden held  
 under great difficulties with every  
 satisfaction.

Resolved:— That the best thanks of the Board  
 are due to Mr. Smallhorn and his assistants  
 for his pleasing exertions and the assistance  
 afforded the Guardians in the distribution  
 of the seed potatoes distributed at the  
 Railway Station Clifden and we have  
 pleasure in placing before the Chairman  
 of the Midland & Great Western Railway the  
 very satisfactory manner in which Mr.  
 Smallhorn discharged his duties and  
 the best thanks of the Board are hereby
