The Workhouse Register was produced, examined, and authenticated, from No. 3454, to No. 3478, both inclusive, by the signature of the Chairman and countersignature of the Clerk.

The Cutdoor Relief Register was produced, examined, and authenticated, from No 9469 to No 247/, both inclusive, by the Signature of the Chairman and Countersignature of the Clerk.

The Clerk's Report on the execution of the Orders previously made by the Board was read to the following effect:—

# Including £ 11.8.10 Seed sold for Cash.

The Ledger was produced by the Clerk, posted up to the last day of Meeting, with the proper Debits and Gredits as ordered on that day.

The Treasurer's Book of Receipts and Payments was produced, by which it appeared that there had been received during the Week, = - £ 2/3: 18:0

Faid during the Week, - - - 2 93:12:7

And that the Balance on the Account Inforthe Guardians was \$ 1769:17:1
The Book was signed by the Chairman.

The Weekly Balance Sheets of the several Collectors were laid before the Board, their accuracy having been first ascertained and authenticated by the Clerk.

The Lodgments made of Rates collected in the several Electoral Divisions appear to have been as follow: -

| Name of each Collector. Note—A Total is to be inserted in Red Ink at the foot of each Collector's District, as well as for the entire Union.

Debit the Treasurer and Gredit the several Electoral Divisions with the respective amounts lodged.

The Clerk's Account of Tetty Disbursements made by him since last Meeting, amounting to £ 3 : 6: 10 was produced and passed.

The following Books were exhibited by the Clerk, he having first ascertained the accuracy of the entries made therein by the Master of the Workhouse, and authenticated the same by his signature:—

1. The Weekly Relief List and Abstract.

2. The Provision Check Account.

3. The Provision Receipt and Consumption Account.

The Master's Estimate of Provisions and Necessaries required for the ensuing Week was examined, and Orders were duly made for the several articles specified, namely:—

| 2508       | lbs. White Bread,  | 8 lbs. |            |                    | The rest of the second of the  |

The following Books were also produced by the Clerk, their accuracy having been previously ascertained by him, and authenticated by his signature:—

1. The several Clething Accounts.

2. The Medical Officers' Books.

The Outdoor Relief Lists and Weekly Receipt and Expenditure Books of the several Relieving Officers were then produced by the Clerk, their accuracy having been previously ascertained by him, and authenticated by his signature.

The Abstract of the Outdoor Reliet Lists was also produced by the Glerk, having been duly entered up by him for the last Week ended Saturday, the 30 day of 1898, whereby it appeared that in that Week the Total Expenditure in Outdoor Relief was

|           |   |   | £  |   | 8.  | d. |
|-----------|---|---|----|---|-----|----|
| In money. | - | - |    | 2 | 2   |    |
| In kind,  | - | - |    | 2 |     |    |
| Jotal,    |   | 2 | 16 |   | 15: | 6  |

Gredit each Relieving Officer, as per Receipt and Expenditure Book.

The requirements of each Relieving Officer for the ensuing Week having been duly considered and estimated by the Board, Cheques on the Treasurer and Orders on Contractors were duly signed and delivered to each of them, of the following amounts and value respectively:

|    | RELIEF<br>DISTRICT. |                 |    | By Cheque on Treasurer. $\pounds \qquad s. \qquad d.$ |   | RELIEF DISTRICT. Name of Relieving Officer |                 | By Cheque on Treasurer. |   |   |

|                                           |                                                                                                                 |                                                                        |             |               |                                              |                                        |             |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |                          |                                    |                         |                   |                    |                                                                                                     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |                                                                                                     |                        |          |

The Minutes of last Meeting were read and signed.

The Workhouse Register was produced, examined, and authenticated, from No. 3478, to No. 3507, both inclusive, by the signature of the Chairman and countersignature of the Clerk.

The Outdoor Relief Register was produced, examined, and authenticated, from No. 947 Z to No. 9476, both inclusive, by the Signature of the Chairman and Countersignature of the Clerk.

The Clerk's Report on the execution of the Orders previously made by the Board was read to the following effect:-

The Ledger was produced by the Clerk, posted up to the last day of Meeting, with the proper Debits and Credits as ordered on that day.

The Treasurer's Book of Receipts and Payments was produced, by which it appeared that there had been received during the Week, = \_\_ 2/35: 2:6

Faid during the Week, \_\_ - 2/00/: 9:11

And that the Balance on the Account in forthe Guardians was 2 903: 9:8

The Book was signed by the Chairman.

The Weekly Balance Sheets of the several Collectors were laid before the Board, their accuracy having been first ascertained and authenticated by the Clerk.

The Lodgments made of Rates collected in the several Electoral Divisions appear to have been as follow:-

| Name of each Collector.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | Electoral Divisions arranged in Collectors' Districts. Note-A Total is to be inserted in Red Ink at the foot of each Collector's District, as well as for the entire Union. Dolit the Treasurer and Gredit the several Electoral Divisions with the respective amounts lodged. The Clerk's Account of Petty Disbursements made by him since last Meeting, amounting to 2 5: //: 9 was produced and passed.

The following Books were exhibited by the Clerk, he having first ascertained the accuracy of the entries made therein by the Master of the Workhouse, and authenticated the same by his signature:—

1. The Weekly Relief List and Abstract.

2. The Provision Check Account.

3. The Provision Receipt and Consumption Account.

The Master's Estimate of Provisions and Necessaries required for the ensuing Neek was examined, and Orders were duly made for the several articles specified, namely:—

| 2494 lbs. White Bread,   | No Com Flore                      |
|--------------------------|-----------------------------------|
| 36/ lbs, Brown Bread,    | lbs. Corn Flour,<br>,, Arrowroot, |
| cwt. Oatmeal,            | ", Loaf Sugar,                    |
| cwt. Indian Meal,        | " Biscuits,                       |
| 1692 qts. Milk,          | H, Pepper,                        |
| lbs. Meat,               | cwt. Salt, //2 Chickens,          |
| chest of Tea,            | 2 lbs. Bacon,                     |
| case of Cocoa,           |                                   |
| 196 lbs. Soft Sugar,     | princamilled *craffill factor     |
| cwt. Rice, stones Flour, | lbs. Candles, cask Lamp Oil,      |
| 1480 Eggs,               | lbs. Starch,                      |
| half-brl. Porter,        | " Soap,                           |
| bots Marsala Wine,       | " Blue,                           |
| " Port Wine,             | 2 cwt. Washing Soda,              |
| " Gin,<br>" Brandy,      | 96 ozs. Tobacco,                  |
| 24 , Soda Water,         | ENDOUGHTS TO A PROCE              |
| " Lemonade,              |                                   |
| gals. Whiskey,           |                                   |

The following Books were also produced by the Glerk, their accuracy having been previously ascertained by him, and authenticated by his signature:—

1. The several Clothing Accounts.

2. The Medical Officers' Books.

The Cutdoor Relief Lists and Weekly Receipt and Expenditure Books of the several Relieving Officers were then produced by the Clerk, their accuracy having been previously ascertained by him, and authenticated by his signature.

The Abstract of the Outdoor Reliet Lists was also produced by the Clerk, having been duly entered up by him for the last Week ended Saturday, the 1 h day of May 189 8, whereby it appeared that in that Week the Total Expenditure in Outdoor Relief was

Gredit each Relieving Officer, as per Receipt and Expenditure Book.

The requirements of each Relieving Officer for the ensuing Week having been duly considered and estimated by the Board, Cheques on the Ireasurer and Orders on Contractors were duly signed and delivered to each of them, of the following amounts and value respectively:

|    | RELIEF<br>DISTRICT. | Name of Relieving Officer. | By Cheque on Treasurer. $\pounds$ s. d. |   |     | RELIEF<br>DISTRICT. | Name of Relieving Officer. | By Cheque on Treasurer. |   |   |  |

The Reports of the Master and other Officers were read, and Orders made thereon as follows:—

An eximate examed Martin Lydon was committed to the District Lematic Asylum on the 64 xistant,

from the Worthouse on the 5th instant wearing the Mission clothes, I reported the matter to the Police and he was arrested in West-part. The Police wish to be informed whether the Guardians will bear the se-pense of his removal to Galway and prosecution.

The Suardians decline as the cost of his removal and prosecution world probably exceed the volue of the Union clothings bout rotor Hogan's will turned sour on Friday might last. He forfeits the grantity

Orde. The Contractor to be contioned,

for the windows in the Lying in Hospital.

Hease examine the following goods delivered by the Contractor, vin; 150 yards of sheeting and 1441/2 yards of living Calees, 384 ards of Bengal Stripe and 75 yards of Drugget, Examined, and ordered into stock,
