The Manager of the Gasworks came before the Board in reference to the complaint that the consumption

of gas in the Workhouse during the past month was considerably in excess of the consumption during the corresponding month in 1911. His explanation was accepted as satisfactory.

The following Letters from the Local Government Board for Ireland, and others, were read by the Clerk, and directions given to answer them respectively, to the following effect (or Orders made on them respectively, as follows):—

63709/12. }

10th Dec^r } to authorise a Committee to purchase fur-
-niture for Nurses' apartments in the New Fever
Hospital at a cost not exceeding £40; 7, in
reference thereto, the Board desire to draw at-
-tention to the provisions of Article 16 of the
General Regulations, 7, at the same time, to
request that they may be informed whether
it is proposed to defray the cost of this furni-
-ture out of revenue.

Yes, the loan of £10,000 has been already expended.
The Guardians beg to observe that they recognize
the importance of obtaining sealed tenders
for all supplies to the Workhouse, &c., but in the
matter of the purchase of this furniture, they con-
-sider an advantage would be gained by
leaving the selection in the hands of the Com-
-mittee. There is keen competition between
the traders in the house furnishing line in
Galway. The new Hospital has been occupied
since July 1911, & the Guardians being anxious
to have the furniture supplied before James
request permission from the Board to carry out
the purchase in the manner proposed.
