were read, and directions given thereon as recorded in Executive Sanitary Officer's Report Book.

The following Letters from the Local Government Board for Ireland or others, relating to Sanitary Matters, were read, and directions given thereon as follows:—

14th Oct 91. From Mr S. M. Nolan, stating that Mr Connor Keuchy is willing to accept 2 1/2 years purchase for the land required as a site for the pump at Coldwood, the Guardians to bear all expenses connected therewith, and any investigation of title, as she will guarantee nothing about this. Requesting to be furnished with a plan and dimensions of the land required.

Order To be informed that the Guardians consider it a most extraordinary proceeding on the part of an owner to make any claim for purchase money for the few yards of land required immediately off the high road as the site for a pump to supply water to her own tenants. That the occupying tenant, who is Guardian for the District, is quite willing to allow the small portion of land required to be taken off his holding without claiming any compensation whatsoever, and that he is most anxious that the pump be sunk without delay.
