The following Letters from the Local Sovernment Board for Ireland or others, relating to Sanitary Matters, were read, and directions given thereon as follows:—

1227449/92 Jeknowledging receipt of a resolution of the 6th mistant 12th July relative to the area of charge proposed for the expenses to be oncurred in providing a supply of water for the Vellage of Kilronaw in the Arran Glands; and with reference thereto the Goard enclose a form of descriptive list respecting the area of charge together with a form in which application may be made for the loan which the Guardians desire to obtain for the purpose of earrying out the works in question, he Board desire at the same time to observe that the area of charge meludes the three islands. With the Information at present before them, the Board entertain some doulet as to whether the inhabitants of the two smaller islands (mishmaan and Inisheer) would derive such material benefit from the proposed water supply as would Justify the Guardians on taxing them for the works: the Goard would be glad to be informed whether in determining the area this point.
The Guardians on reply beg to etate that this point was

was fully considered when fixing the area of charge, In the event of the development of a Fish-curing widnestry at Kilronan, the inhabitants of the islands of misher and mishmoan would derive as much beenefit from the water supply (without which the oridistry council developed) - as the inhabitants of Inishmore in all respects, saving the supply for domestic purposes. which benefits the last mentioned only.
