Report of Rate Committee

The warrants for collection handed to Mr. William Kelly in October last amounted to £3070:10:1. He has lodged with the Union Treasurer - 2869:5:11 leaving outstanding - 201:4:2

The Committee having gone over the lists of uncollected rates, find that a sum of £112:10:5 is irrecoverable, the premises assessed having been wholly or partially unoccupied. A portion of the remaining outstanding balance (£88:13:9) is immediately available and should be got in at once. Due exertion should be made by the collector to recover as much as possible of the rates not discharged by the Committee. An item of £4 assessed on the Convent of Mercy appears in the lists with the collector's observation, "not liable"; the Committee leave this point to the decision of the Board.
