Letter from Mr Vincent Griffiths (Treasurer) dated 20<sup>th</sup> Sept., stating in reply to Clerk's letter of 13<sup>th</sup> ultimo, that Town and County Prisons and Court houses, &c., are not Government property, and do not come within the class of property for which Government contributions are given -

That we protest against the principle of the National Teachers salaries, of this Union being made a charge on the Poor Rates as foreign to its original intention. taxation on the already over-taxed ratepayers under the poor law system be entertained - The amendment was put to a vote and declared Carried -  
 18 for -

That the poundage rate proposed to be made by a general charge on the whole Union including Galway which is a separate Urban district is not in accordance with law.

The rate books are now complete and headed for signature on next Friday the Collectors receipts are printed and dated in like manner. and as any postponement would cause much delay and embarrassment We propose to sign the books on the appointed day.

As every Electoral Division and district will be charged with only their proper share of expenditure for General Sanitary purposes and their being no special expenses to be provided for the Guardians think no harm can arise from signing the Rate Books as now prepared although there may have been some irregularity on the part of the Clerk.
