Proposed

Proposed by Dr L. L. Ferdinand, seconded by Dr John Hedington and unanimously decided — That

the Minutes of Evidence in the case of Lillie Bromtroy as taken by the Local Inspector, Dr Brodie, having been this day laid before us, we are of opinion that the conduct of the believing officer in the matter, has been highly indiscreet and unguarded, both as to the manner in which he first brought the case under the notice of the Board, and his expressions to parties outside the Board room, but considering the efficient manner in which he has hitherto discharged his duties as believing officer, we deem his case sufficiently met by a reprimand —
