Committee appointed to enquire into rate struck on Oranmore and other Divisions in October 1877.

Galway Union

Report.

Galway, Jan 28 1878

The Committee met this day in Courthouse with ~~the~~ official assistance of Captain O'Hara and James Davis & Doctor Prodie ~~Poor Law~~ Inspector attended as requested

The Committee examined the estimated poor rate struck for all the Divisions of the Union, and found that the Clerk had omitted to give any the Electoral Divisions credit for the Parliamentary Grant for Medical Charities.

In the case of the Oranmore Electoral Division the amount for the Head Item £90.17.10 has seriously affected the Estimate rate as the Division is entitled to the whole amount of the Grant being a Seaboard District in itself and thus not sharing with other the Grant, but the other Divisions though not credited with the Grant are not over rated.

We have ascertained that the total Debts against the Oranmore Division amounted on 29 Sept. 1877 to £441.4.2. This amount when credited with the Parliamentary Grant £90.17.10 would leave a Debit to be provided for of £350.16.4 and this would be met by a rate of 4/8½ in the Pound —

10

We have included in the total Debits in this Division amount of £10 for Value of Stock of Clothing in Hands which the Clerk has omitted to provide a Column for in his Estimate for this as well as other Divisions, and which is required by the Local Government Board

The Clerk claims credit for the amount of £20 overestimated for the Expenses for Hall [illegible] ending 29 Sept. 1879 which would Lead the Rate from 4/4½ to 4/8 ~~but do not feel called on to make any Reduction on this item, never a matter for consideration of the Auditor~~

The following report of Dr. G. W. Hatchell, Inspector of Lunatic Asylums was read.

"There are in this Union Workhouse
"six female Lunatics, their ward is
"kept in very creditable order as to cleanliness,
"but I am of opinion it would be much
"improved if on either side walls
"windows were made, the ward not
"be large, but sufficiently so to admit
"of more light & better ventilation without
"rendering the ward less secure = the
"dining yard which is small might
"be improved by having it covered
"with fine gravel, being a small centre
"plot for a few flowers = the introduction
"of seats with backs ~~to them~~ would
"be desirable for the patients in fine
"weather = There is but one male of the
"class in the House"

The following Letters from the Local Government Board for Ireland and others were read by the Clerk, and directions given to answer them respectively, to the following effect (or orders made on them respectively, as follows):

† The following letter from the Rev J. Carolan, Roman Catholic Chaplain, was read—

March 22nd 1878

Gentlemen

I regret to have to bring under your notice an occurrence of a most disagreeable character which took place at Bushy Park Cemetery on yesterday.

Being asked to attend at the interment of a woman named Gannon who died in Hospital I proceeded at the appointed time to the Cemetery, On arriving a Scene of a most horrible description met my gaze, I found the Coffin lying open with nothing in the form of a human body to be found, but instead a bundle of some disgusting matter dragged about by the daughter of the deceased Mrs Gannon

To describe the appearance of the daughter and the expression of her feelings or the Consternation of her bystanders would be an useless attempt; but the occurrence is one that must Seriously damage the Reputation and usefulness of the Workhouse Hospital. This is very much to be regretted Considering the incalculable benefits both Spiritual and temporal it Confers upon the poor of the Union, I believe once it becomes known that the bodies of patients dying in hospital are so treated the most destitute would rather die by the way Side than Seek its Shelter

As far as I am myself Concerned I Consider whoever is responsible for the occurrence acted in a most offensive way and I feel myself bound to ask your Board to make Some arrangements which will prevent religion being turned into a farce, in Such matters in future, And protect the poor from Such outrage as I have described

I have &c &c

John Carolan
R C Chaplain

Gentlemen

On account of the occurrence which took place at Bushy park on the 21st inst: & reported by me to your Board, I received the a letter from his Lordship the Bishop of Galway forbidding Mass to be offered in the Galway workhouse. I beg to place before you a copy of his Lordships letter.

College House Galway
March 23rd 1878

Rev. dear Sir

Until adequate reparation is made for the shocking outrage on your Sacred Ministry as Chaplain of the Galway Workhouse - an outrage which every one will pronounce to be disgraceful to humanity, putting religion out of the question - You will not on any account offer up the holy Sacrifice of the Mass in the Galway Workhouse. You will not permit any one else to do so.

I need hardly ask, what would be the feelings of those whom it concerns to vindicate this gross misconduct referred to, whether guardians of the poor or members of the Local Government Board, if the remains of their own relatives,

parents, brothers or sisters were so treated. No doubt these parties know their duty and will discharge it in this revolting case. But so far as you & I are concerned we are bound by still higher obligations by all laws human & divine to protect the poor to respect their feelings and omit no lawful means of seeing them righted. Were we to neglect doing so, we would justly incur the reproach of being heartless mercenaries.

Has this been the first time that a similar shocking occurrence, or, as it has been insultingly insinuated in some quarters, a similar mistake took place in the Galway Workhouse? Are the dependent poor to be repeatedly maltreated with impunity?

Your faithful servant
+ John MacEvilly

Rev. John Lavelan.

The foregoing communications having been read it was proposed by Capt T. O'Hara, seconded by Pierce Lynch Esq (Chairman) and unanimously -

Resolved - That we cannot too strongly condemn, and record our indignant protest against conduct that has led to the indecent and disgraceful scene that has lately occurred, and we beg to assure the Most Rev the Bishop and the Chaplain that the Guardians will strictly investigate the matter, and take every precaution against a recurrence - The Guardians beg that his Lordship will, pending the investigation, remove the interdict

interdict, which the Guardians feel gravely affects the inmates — Clerk to forward, at once, a copy of this resolution to the Lord Bishop —

Proposed by George E. Burke Jr, seconded by Edward Gulfoyle Jr and unanimously resolved —

That a committee be appointed to inquire into the several matters alluded to in the latter Carraduan letters, and the communications of the Lord Bishop of Galway — The Committee to meet on Tuesday next, 2nd April & to consist of the following Gentlemen —

Pierce Joyce (Chairman) George Morris, James Campbell, Capt. J. O'Hara, C. J. Redington, A. Heaney, L. L. Redmond, E. Gulfoyle J. Davis; and that Dr Brodie, Local Government Inspector, be requested to lend his assistance to the Committee —

The following communication from Relieving Officer duly officer in charge of the Maycullen District & certificate as to character & from the Rev T. Heany P.P was read —

Maycullen 29th March 1878

Gentlemen

In reference to Dr Brodie's report to the Local Government Board about the irregularity in the Maycullen Dispensary I beg to offer the following explanation thereon. The charges against me are very serious and I hope the following will satisfy the Guardians with my part in the matter.

Dr Brodie states that the Relieving Officer's answers to questions put to him were remarkable for a total want of candour and straightforwardness and evidently given with a desire to deceive. That statement I utterly deny. On the occasion of Dr Brodie's visits he never spoke to me but twice and on these occasions a dozen words scarcely passed between us. One or two instances I quote will bear out my statement. Viz:-

1st. In reference to the sixty one tickets the inference to draw from Dr Brodie's report is that I was absent during the whole month. I was at home during that month and I am absent certainly I attended at the Dispensary every day fixed for the Doctors attendance there

When present at the Dispensary although I did not issue Tickets I saw that no person got Medicine except those entitled to it. I did not then see the irregularity or it would not have occurred. and if Dr Conolly stated otherwise it was not in my presence or I would have satisfactorily explained

2nd On One of Dr Brodie's visits Dr Conolly called me into the Dispensary and Dr Brodie asked me was it not my wife who filled the greater part of the Tickets for the last twelve months and I said it was not. As I also said at the previous meeting of the Board Guardians, and I said the rest was at hand as the Tickets were on the file and could be examined. Dr Brodie then told Dr Conolly to search the file from the 1st January 1847 to the 1st January 1848 and after examining the Tickets for that period he could find none written by her. Dr Brodie then addressed Dr Conolly and asked him why he told him that the greater part of the Tickets were written by my wife. and Dr Conolly said he did not tell him that the greater part of the Tickets were written by my wife, Dr Brodie then took a slip of paper out of his pocket on which he had noted what Dr Conolly told him. and again said these were the words using the words which

which he had already expressed. namely that the greater part of the Tickets were written by my wife. To which Dr Conolly made answer by saying I could not have said so you must have misunderstood me. Dr Brodie then turned to me and said I believe you Griffin and dont believe Dr Conolly.

I regret to be obliged to introduce Dr Conolly's name but under the circumstances I cannot avoid doing so In reference to my attendance at Road Sessions & Assizes. There are only Three Road Sessions in my district and my attendance at these and Assizes only takes me Ten days in the year. While attending the former I always got leave and my son acted for me on these occasions

With regard to the Inspection of Roads I do this on the days that I am not engaged in Union business. I have already fully explained this to the Local Government Board some time since and no cause of complaint or neglect has ever arisen in consequence of my temporary absence.

And I trust the Guardians will unanimously bear testimony to the satisfactory and efficient manner in which I have discharged my duty as Relieving Officer for the last thirty one years.

Hoping this explanation will satisfy both the Guardians and the Local Government Board

I have the Honour Gentlemen
To be your Obdt. Servt.
Martin Griffin
R.M. Officer

(Copy of Certificate)

Having been called upon by Mr Griffin for a certificate of character I feel great pleasure in being able to bear my humble unbiassed testimony to his strict honesty, truthfulness, & faithful discharge of his many & onerous duties as Relieving Officer & Sanitary Officer. I have been intimately acquainted with him for the last 30 years, & can positively declare that during that long & eventful period, I always found him most attentive & punctual in the performance of the various duties that devolved on him, especially in attending to the calls & relief of the Poor. I am not aware of a single complaint being made against him in the discharge of these important & manifold duties.

College House,
Galway. March 30 1878

Sir,

I am in receipt of your letter conveying to me the resolution of the Galway Board of Guardians, of which Captain James O'Hara & Pierce Joyce J.P. Chairman were the proposer and seconder. I beg to thank them for the expression of their sympathy in regard to the late outrage at the Workhouse, and as they request it I shall allow Mass to be said on Sunday next at the Workhouse pending the investigation.

I trust they will adopt the only effectual means for preventing a recurrence of such a shocking scene.

Lest I should seem to be pointing out to so intelligent a body of Gentlemen their relations with the inmates of the Workhouse I shall forbear any further observations at present.

I have the honor to be,
Your faithful Servant
+ John MacEvilly

The Committee then examined the following persons as to their

Galway County Council Archives

their Knowledge of the circumstances which led to the late disgraceful scene at Busby park Vizt=

The Master, the Porter, and two pauper inmates named John Gorman & William Kain = & Joseph. P. Pye, Professor of Anatomy, Queens College, Galway, also gave Evidence as to the working of the Anatomical School generally, and how dissected bodies are disposed of =

~~The fundraising powers~~

The adoption of the following report was then moved by Capt J. O'Hara, and seconded by Mr E. D. Darlington = J. Campbell

That the provisions of the Anatomical Act have been violated by parties connected with the College & Workhouse that has they been carried out nothing of the lamentable Kind on which the Committee have been called on to report could have occurred =

The Committee draw the attention of the Public to that Act which afford every protection to inmates of the House, or those seeking relief in the Hospital of the House, by ~~making~~ enabling them specially to prevent, by merely

Galway County Council Archives

notifying their wish that they should be interred if they should die straight from the House, thereby effectually preventing any interference with their bodies after death —

We do not however think that it would be desirable to entirely ignore the benefits that are conferred on humanity by precluding the Medical School from obtaining subjects from the House of ~~Industry~~ of those bodies unclaimed, and we recommend most stringent regulations should be made openly to prevent any occurrence of irregularities by making the Master responsible for the proper interment of any unclaimed pauper body which may have been, with the concurrence of the Guardians, given for the good of science to the School of Anatomy =

L. L. Jordan then proposed and Mr L. Guilfoyle seconded the following Resolution =

Resolved = That having examined several witnesses including the Master of the Workhouse, and Dr Pye, Professor of Anatomy at the Queens College, and having found out that the provisions of the Anatomy Act

Galway County Council Archives

were not complied with either by the College Authorities or the Officials of the Workhouse, responsible for carrying out the provisions of the Act, We recommend to the Board of Guardians to prevent the removal of the remains of paupers in future and that the Master be responsible for the respectable interment of all persons dying in the Workhouse or Workhouse Hospital -

On division 5 members voted for the adoption of the report & 2 for ~~not~~ Mr Ferdinands resolution = Mr James Davis declining to vote - The Chairman then declared the report carried -

Galway County Council Archives

Capt. J. Howard then moved the adoption of the report -

Mr L. L. Ferdinand then moved & Mr L. Guilfoyle seconded the following as an amendment -

"That in future the Master be responsible for the proper interment of all persons dying in the Workhouse & that it be his duty to see that the remains of paupers that are not claimed by their friends shall be interred in the proper place with due consideration & that no remains be permitted to be removed to the Dissecting School of the Queens College"

Capt Howard then withdrew the report & Mr Ferdinands amendment was taken as a substantive resolution — & adopted

Mr. L. L. Ferdinand drew attention to the foregoing portion of the Minutes Viz "Capt Howard withdrew the report & Mr Ferdinands amendment was taken as a substantive resolution" & the Clerk was directed to amend same by the addition of the word "& adopted" & to forward copy of ~~minutes~~ the amendment to the Local Government - 12/4/99
