OUGHTERARD UNION.  
The following resolution was unanimously passed at the last meeting of this board:—  
The board of guardians of the Oughterard Union, viewing the appalling and pressing destitution existing in all the electoral divisions of the union, wish to urge on the Local Government Board the extreme necessity, pending the passing of the Relief Bill, of granting a supply of seed potatoes and seed oats to the most destitute, the amount of relief afforded in seed to be afterwards deducted from the amount coming to each electoral division under the provisions of the Relief Act. Unless relief of seed is afforded at once most of the holdings of these electoral divisions must lie fallow. Relief of seed potatoes and seed oats to be effectual must be immediate.

*Adopted in lieu of memorial mentioned at last meeting —*

Notices of Election.  
at suit of P. J. Blake a minor, against 29 persons from Russaveel in the Electoral Division of Kilsurnin.

On the motion of the Chairman it was  
"Resolved - That the Chief Secretary be requested

to promote a Bill in Parliament staying Election in Ireland for at least the next six months.

On the motion of Mr. C. Maine, seconded by Mr. M. O'Sullivan (Junr) it was  
"Resolved - That we the Board of Guardians having been referred by the Local Government Board to Sec. 25, of 25 + 26 Vic, Cap. 83, to justify their action in granting to Mr. John Miller the right of recording 6 votes in each of the 4 Wards of the Galway Electoral Division at the last Election of Guardians, although he was, in the words of the Act only liable to pay, or contribute rates to the relief of the poor in one Ward, and consequently entitled to vote only in such Ward. We submit that the Local Government Board have acted, in our opinion, in distinct contravention of the Law they themselves rely upon. As representatives of the ratepayers we feel it our duty to call upon the Local Government Board to strike out and reject as illegal Mr. Miller's 6 votes in each of the North, South and East Wards and to declare Messrs. W. J. McStally and John Curran duly elected for the North and South Wards respectively as they were only defeated by this manoeuvre and the manufacture of Mr. Miller's additional voting power for partisan purposes. We also respectfully request that the Local Government Board will under all the peculiar circumstances of this transaction inform us how they now intend to act in this grave

grave matter."

Ordered. The clerk to call upon Mr. Lambert, Rate Collector, to hand over, without further delay, his Bond duly perfected.

The following members of the Board were appointed a committee to take stock of the clothing, &c. in the Workhouse, viz. Messrs. J. Kavanagh, D. Curran and J. Kirwan.

6<sup>th</sup> May } Meeting on the 28<sup>th</sup> ultimo, relating to the  
votes allowed to Mr. J. Miller at the recent  
Election of Guardians, and observing that  
the passage in the Resolution purporting  
to be a quotation from the Section under which  
the votes in question were allowed is not  
strictly accurate, nor is the spirit of the  
Section, in the opinion of the Board, correctly  
conveyed in the form to which it has  
been thus altered. The Board when ad-  
vising the Returning Officer in reference  
to these votes, were guided by the opinion  
of their Legal Adviser, and they see no reason  
to alter the view they took of the case.  
Consideration postponed to next meeting.

10<sup>th</sup> May } appointed Temporary Assistant Relieving Officers  
at meeting on the 7<sup>th</sup> instant.

-uation Allowance, to enable her to emigrate  
her daughter to America.  
Granted.

1<sup>st</sup> 10<sup>th</sup> 102<sup>nd</sup> / Mis / 86 } 18<sup>th</sup> May } Stating that in consequence of information which has reached them from various sources, they apprehend that the Boards of Guardians of some of the Unions in which authority to administer out-door relief to the able bodied classes has been granted, are not fully aware of their position and duties in that respect, and pointing out the conditions under which relief can be afforded legally to this class of persons.

Order - A printed copy of this important letter be issued to each member of the Board.

1<sup>st</sup> 21<sup>st</sup> 173 / 86 } 18<sup>th</sup> May } Observing from Minutes of last meeting that it was agreed to give orders for provisions to the labourers employed in the relief works, and to permit them to obtain the provisions from persons with whom they can deal with most convenience and advantage; stating that they do not consider that the arrangement is one which can properly be carried out, and that the Guardians should enter into contracts with persons for the supply of meal, and the meal for out door Relief

Relief should be obtained from such persons.

On the motion of Mr. J. Morris, seconded by Mr. P. Wooley, it was unanimously  
 "Resolved - That in the opinion of this Board it is more conducive to the interests of the recipients of the Relief, that the provisions be supplied in the Electoral Division in which the Works are carried on, by the local Shopkeepers, and thus satisfactorily meet the requirements of the poor and destitute.

That we are of opinion that if given by contract, ~~the contractor~~, there cannot be a sufficient guarantee that the goods as contracted for shall in all cases be <sup>supplied</sup>, and possibly the Contractor might live miles from the residence of the poor persons, and thus cause considerable inconvenience in some districts in the Union, that owing to keen competition, the local shopkeepers will be anxious to give good value to the holders of Relief tickets, as they, if not satisfied with the value in one place, can go where they can deal with most advantage."

On the motion of Major Lynch, seconded by Mr. H. Davoren it was  
 Resolved - That the allowance to persons employed at Relief works be reduced from  $7\frac{1}{6}$  to  $7\frac{1}{2}$  per doz., and that Gangers be allowed  $7\frac{1}{2}$  per week.  
 That a special meeting be held on Tuesday next to consider all the cases on the Books of the several Relieving Officers. That in the

the meantime the Relieving Officers are to issue tickets for provisions to all the destitute persons who have worked on roads up to this date at the rate of  $7\frac{1}{6}$  per doz.

On the motion of Mr. Davis, seconded by Mr. Kean, the following Resolution was adopted

RESOLVED - "That the duties performed by Poor Law Union Officers in administering the Franchise Acts, being solely for Imperial purposes unconnected with the relief of the poor, and the requisition forms which they deliver in respect of the Household Franchise being returned through the Post Office in most instances with the postage unpaid, thereby involving payment of double postage at the cost of the Union, and making an estimated addition of £7,000 from all Ireland to the Imperial revenue, or nearly half the amount of the grant voted by Parliament last year as remuneration for the extra labour imposed by those Acts, we are of opinion that the remuneration of Union Officers for carrying out the said Acts, and also the expenses attendant thereon, should be provided from Imperial sources and not from the rates for the relief of the poor; and that, accordingly, we direct our Clerk to send copies of this Resolution to the Right Honorable the Chief Secretary for Ireland, M.P., and our representatives in Parliament."

The local Guardians for Dismore Electoral Division, (Arran Islands,) reported having appointed the following persons as Assistant Relieving Officers to superintend Relief Works on the Islands, viz.

John Maher for Middle Island of Arran,  
 Michael Cornell for South " "  
 Patrick Dirraue for North " "

On the motion of Mr. C. Gill, seconded by Mr. J. O'Connor, it was  
 Resolved - That we approve and ratify the appointment of Temporary Assistant Relieving Officers

Officers made by the Guardians for Dushmore  
Electoral Division (Arran Islands).

Workhouse Medical Officers Report  
Gentlemen,

A young man named Pat Curran was sent by you a year ago to St. Mark's Ophthalmic Hospital, Dublin, some little operation was done for him then, but the Surgeon wrote to me that if he were again sent up in a year's time something might be done to improve his sight.

I feel certain your Board will give him the benefit of whatever hope remains to him. He has been an inmate of the Workhouse for some years."

No. 23266/86  
31<sup>st</sup> May. Acquainting the Guardians that they have received a report from their Inspector, Mr. Bourke,

on the administration of out-door relief in the Union, under the provisions of the Poor Relief (Ireland) Act, 1886, in which he states that many cases have not been duly examined and authorised by the Guardians in accordance with the requirements of Article 14. § 6, of the General Regulations. Calling attention to the 2<sup>nd</sup> paragraph of the Board's letter of the 8<sup>th</sup> instant, and requesting that the Guardians will in future duly consider the particulars of each case entered in the Relieving Officers' Application and Report Books, and record their decision therein.

No. 124/86  
31<sup>st</sup> May. Stating that they have reason to believe that an *impresario* prevails in some of the Unions named in the schedule to the Poor Relief (Ireland) Act, 1886, that the cost of the relief afforded under that Act in some Electoral Divisions will be entirely defrayed by means of the Grants which may be made under the 3<sup>rd</sup> section.

Also that the proper and necessary discrimination is not always exercised by the Guardians in dealing with the applications for relief, and calling the Guardians' very serious attention to what the section referred to, enacts. Whatever expenditure is incurred over the amount of any Grants which may be made, must be borne by the poor rates.

No. 23700/86  
1<sup>st</sup> June. Transmitting for the Guardians' information extracts from the half yearly report of

of their Inspector, Mr. Bourke, on the Union, and the Board request the Guardians to carefully consider the several matters referred to, especially the suggestions with respect to providing a lodging-in Ward and substituting a suitable building for the structure known as the Black Shed.

*Consideration postponed.*

10<sup>th</sup> 23/04/86  
1<sup>st</sup> June  
Acknowledging receipt of a return of the out-door relief afforded in the Union under the Poor Relief (Ireland) Act, 1886, for the period ended the 15<sup>th</sup> inst., and stating that they have recommended the Commissioners of Public Works to lodge the sum of £110 with the Treasurer of the Union as a grant to aid in defraying the charge on Electoral Divisions as follows. Viz:—

Furbough £8. Kilmurmin £30. Kiltanin £25.  
Selerna £25. Siveaneena £8. Spiddal £8.  
Dullohyne £6.

On the motion of Mr. P. Hooley, seconded by Mr. R. Mullen, it was

Resolved— that as we estimate the out-door relief expenditure under the provisions of the Poor Relief (Ireland) Act, 1886, in the Union to this date, to be £2000, that the Relief Works be forthwith suspended, that we regret the necessity of resorting to this extreme measure as we are aware that great distress prevails in many Electoral Divisions of the Union, that the Local Government Board be requested to

to recommend the Commissioners of Public Works to lodge an additional sum of £1890 with our Treasurer to enable us to discharge the claims of the parties who supplied food to destitute persons on the orders of the Relieving officers, that as we have no money to meet these claims, we fear the orders issued by the Relieving officers shall not be further honored.

That the services of the Assistant Relieving Officers be dispensed with during the suspension of the Relief Works.

Acknowledgment of receipt of copies of Resolutions of the Guardians was received from the Lord Lieutenant, and from Mr. J. P. Foley, M.P.

24<sup>th</sup> May '86, Notices of Eviction

28<sup>th</sup> May '86, From Mr. Townsend, enclosing Plans and Specification of the work proposed to be executed at the Galway Dispensary and Workhouse.  
*Consideration postponed.*

Mr. Kirwan called the attention of the Board to the fact that the schoolmaster and schoolmistress absent themselves from the Workhouse

too frequently, and appear to fail in giving the necessary attention to the children who are placed under their charge.

Both of these officers were called before the Board and informed of the complaint made against them. Each promised to be very careful in the future not to give cause for complaint in this or any other respect, and the Guardians expressed themselves satisfied with the promises made.
