The following Orders of the Local Government Board for Ireland, were laid before the Board, and directions given thereon as follows:—

The following Letters from the Local Government Board for Ireland and others, were read by the Clerk, and directions given to answer them respectively, to the following effect (or Orders made on them respectively as follows):—

No. 35616/88
11th Sept. Referring to Minutes of the 22nd ultimo, containing an entry of a letter from the Manager of the "Mutual Accident Association" relative to the liability of the Company in regard to Mr. Bailey, Poor Rate Collector, together with the copy of the Policy of Guarantee in this case which was forwarded on the 28th ultimo. Having regard to the fact that the Manager of the Association states that the Policy does not indemnify the Guardians against loss through non-fulfilment of the Collector's Contract, the Local Government Board think that the Guardians should require new security for the due collection and lodgment of the rates to be given by

Mr. Bailey before he receives the warrant for the collection of the new rate, and that the same course should be followed if any of the other collectors has given as security a Guarantee Policy of the Association referred to.

No other collector has given as security a Guarantee Policy of this Association.

Order - Mr. Bailey to be informed that he shall be required to give new security for the due collection and lodgment of the rates, before he receives the warrant for the collection of the new rate.

17th Sept. '88. From the Under Secretary, Dublin Castle, acknowledging the receipt of a copy of the Resolution passed by the Guardians at Meeting on the 29th ultimo.

4th Sept. '88 From Sergt. John McDonnell requesting a reduction in the claim made for the maintenance and medical treatment of his stepson Michael Riley in the Union Hospital for 4 months, amounting to £4.15.0, stating that he has a large family to maintain.
Reduced to £2.10.0.

The tender of John Connolly to paint and varnish and repair the springs of the Workhouse two-wheeled covered car for the sum of £1, was not accepted, but it was agreed to offer him £1 for the work.

Resolved that the Clerk's Estimate of the Rates required to meet the expenditure of the Union for the year ending 29th September 1889, be considered at Meeting on the 26th instant, and new Rates agreed to.

(Copy of Estimate when printed shall be forwarded to the local Government Board.)

The Clerk informed the Board that he would be unable to attend the meeting of the Board on the 19th instant, as he shall be engaged at a Revision Court. That he has been notified to attend Revision Courts at the following places. Headford, Inam, Droughrea, Dughteraid, Oranmore, Gort and Galway.

20th Oct. at Meeting on the 10th instant relating to the Rates required to provide for the expenditure of the Union during the year ending the 29th Sept. 1889, from which it appears that the Rates shown to be necessary by the Clerk's Estimate, which was correctly prepared, were reduced in Stradbally E.D. by 4¹/₄, and in the other E.D.s of the Union by 3^d and fractional parts of a penny in the pound, the total reduction amounting to £919. The Board request to be informed on what grounds it is proposed to reduce the amount shown to be necessary to meet the requirements of the Union for the current year. The proposal would probably involve the Union

Union in serious financial embarrassment, and the matter deserves to be carefully reconsidered by the Guardians.

The Guardians beg to observe that they consider that the Rates agreed to at Meeting on the 10th instant, will suffice for the expenditure of the Union during the current year.
