That they found the stock fully equal to the quantity on the Books except in the cases of Men's trousers in which there is a deficiency of 81 pairs. that on the other hand there is an excess of 74 pairs - which amounts for the deficiency in the mens trousers as some mistake may have been committed in receiving Boys trousers into the store as mens. that in all other respects the stock of clothing is correct. the Committee recommended that the worn out and useless clothes be condemned & supplied to paupers leaving the Workhouse whose own clothes cannot be found. a portion may also be used in repairing the articles in wear. the Committee also reported that the Master had an available surplus stock of 1775 boxes which surplus was occasioned by his having charged himself in the receipt side of the provision Book with the entire amount of the board orders though he did not receive the full quantity. that the surplus stock will render a board order unnecessary for some weeks.

The Report of the Committee was adopted and the worn out and useless articles ordered to be deducted from the stock.

The Board deferred till Friday next considering tenders for the rection of the Shed in the Boys and Girls yards.

That the Finance Committee be requested to meet on Wednesday next to audit the Bills of Contractors previous to same been taken into the accounts.

Former Warrants found to be less in consequence of the full Rate being charged on Public Buildings &c. &c. —

Former Warrants found to be more in consequence of Townlands being omitted from the Index in Rate Books —

Lambert and stating that when the Board of Guardians have been furnished by M<sup>r</sup>. Lambert with the information, the Commissioners do not object to his receiving the warrant for the Collection of the Rate.

M<sup>r</sup>. Lambert stated that there was not a Receiver on the Lands, but that his Nephew John Eyre Lambert was acting as Agent for the Patriotic Assurance Company on his Brother's Property.

The Board not considering the explanation satisfactory they requested M<sup>r</sup>. Lambert to send in his Resignation for the Ayrshire Division which he accordingly handed in and a collector for that Division was ordered to be advertised for, the appointment to take place on Friday next.

The Clerk reported that all the Collectors attended & handed in their Returns on Wednesday last but that only one Member of the Rate Committee (Mr. Blakeney) attended & he now suggested that an early day should be fixed upon for a meeting of the Committee as it was most desirable that immediate steps should be taken to have Civil Bills prepared and issued

We have examined the list of Rates due previous to 1849 on the property of Patrick Blake Esq<sup>r</sup> in the old Electoral Division of Killauin Coughterard & Moyullen and find that the sum fully claimable on account of those arrears amounts to £256, 0, 8 and Mr Blake having proposed a settlement of same by paying the amount in three instalments that is to say by Bills payable the first may next for £85 Bill payable 1<sup>st</sup> November 1853 for £85 & a Bill payable 1<sup>st</sup> May 1854 for £86, 0, 8 which arrangement (from the manner in which Mr Blake came forward for the discharge of all these arrears) we recommend the Board to adopt and that Mr Gill the Collector be directed to receive three Bills in payment of said arrears.

That with regard to arrears of rate made in 1849 in Mr Blake's property in the above Electoral Divisions we recommend that the Collector be directed to ascertain as accurately as possible all the cases in which the <sup>premises</sup> primarily liable are still in occupation of the Rated premises & are able to pay the sums due and to submit a list of such cases to the Board of Guardians who will give such directions in each case as maybe necessary, a copy of such list to be forwarded to Mr Blake.

We also recommend that Mr Blake be allowed a sum of 2/6 p L on the Rates paid by him to be deducted out of the poundage of 5% in the £ allowed to Mr Gill for the Collection, Mr Gill having consented to this arrangement before us.

John Redington  
John Blakiney  
John Hall

The foregoing Report having been read and Mr Blake having proposed to the Board to pay the net sum for which he was liable in cash provided he were allowed discount which would be deducted in case the Bills were papered and cashed, It was Resolved that Mr Blake's proposition be agreed to and that a cheque for the discount amounting to £14 be filled up to enable the Collector to lodge the whole amount of the Rates which Mr Blake has made himself liable for, and that said sum be charged on the former Electoral Division in which the Rates were due in proportion to that amount as expenses incurred in collecting the Rates,

Ordered, that a cheque be filled in favour of Mr. Gill for £35.18.5 in aid of his fees so that he may be enabled to lodge the whole amount of the Rates which Mr. Blake made himself liable for in the foregoing arrangement of £256.0.8.

Next Meeting of the Guardians to be held on \_\_\_\_\_ the  
day of \_\_\_\_\_ 185

(Signed)

Clerk of the Union.

The Board of Guardians proceeded to take into Consideration the Report of the Committee on the Financial state of the Union with the view of ascertaining what steps should be taken to lessen the expenditure and having especial attention to Dangan Work House.

The Report having been read by the Chairman, the several suggestions contained therein were considered and they were very generally approved of by the Board.

It was agreed that an early opportunity should be taken for making a careful revision of the Paupers in the Work House and that every exertion should be made by the Guardians and Relieving Officers to prevent the admission of persons under any pretence whatever who are not legally intitled to Relief and that most energetic steps should be taken to trace the Parents of Deserted Children many of whom are residing in adjoining Unions and who it is believed are well able to support them.

It was agreed that the Union advertisements should only (except under particular circumstances) be inserted in one of the local Papers and that tenders should be received from the Proprietors of those journals stating at what price per advertisement they will insert the advertisements of the Union.

That no stationary Book &c should be ordered by the Clerk without an order from the Board and that no expense should be increased by notices to guardians except in cases where the Poor Law regulations require notices to be served.

That no work (such as tradesmen work &c &c) should be done except by order of the Board and that no articles for the use of the Establishment should be procured which have hitherto been usually included in the weekly Bills of sundries without a Board order.

That

That the salary of the Relieving Officers of the Eastern & Western Districts be reduced to £35 p annum that of the A Officer of Arrau to £15 p annum and that of Mr. Callan the Relieving Officer of the O Division of Galway be raised to £50 in consideration of his duties being much more onerous than that of the other Relieving Officers and of his District comprehending the area which was formerly in charge of 2 Relieving Officers,

The Board considered that at present they could not dispense with the services of a Wardsman as recommended by the Committee.

The Board agree with the Committee that the proper collection of the Rates of the Union is worthy of the constant attention of the Guardians and that any dereliction of duty in the part of the Rate Collectors should not be passed over without punishment.

The Board did not consider it advisable to adopt the suggestion of the Committee to obtaining the opinion of Council as to the powers of the Commissioners to take the House and Land of Duggan for the use of the Galway Union for the term of years and conditions named in the lease and the Board considered that it would be for the general interest of the Union to make that establishment in every way as useful and as efficient as circumstances would admit.

The Board finding that the expectations of the Committee were not realized as regards the payment of the debt by the Caghlerard Union it was resolved on the motion of Mr. W. Redington

That a communication be addressed to the P. L. Commissioners representing the large amount of debt due by the Caghlerard Union to the Galway Union stating that the Board are informed that the Guardians of the Caghlerard Union decline to avail themselves

of an offer made by the Commissioners that would have enabled them to discharge this debt or to take measures for paying the amount to this Union - under these circumstances the Board appeal to the Commissioners to exercise the powers vested in them by the 18. & 14. Vic, Cap. 100. sec. 4 for enforcing the payment of the sum due by the Caghlerard to this Union.

Next meeting of the Board to be held on Thursday the 23<sup>rd</sup> inst Friday the ordinary meeting day fall being Christmas eve and that notice of same be given to each Guardian
