Medical Officers Report.

There are 24 patients including two consumptives in Hospital. In explanation of the cost of Medicines in relation to the number of tickets issued, I beg to state that many are medically attended who produce no ticket. They explain to me on these occasions that they failed to find the Relieving Officer and I would find it hard to turn them away, because of this. I may point out that the cost of medicine since my appointment has varied very little.

(signed) D. J. O'Malley.

Order- Explanation considered satisfactory. Relieving Officer to attend the Dispensary regularly in future.
