March 24. 1913

To the Chairman and Gentlemen of the Glennamaddy Board.

Gentlemen,

In regards of me sending a letter to Mr Bruen, stating I received no payment from R.O. Geraghty for a period of time, I beg to state that I heard that he was on a few occasions at my house, and I was from home on these occasions. I heard since I wrote the letter that he was here, so I hope the Board or any other person will not censure him. He always paid me punctually. I was in the habit of going to Glennamaddy market, and he used always pay me there. Owing to changing to a New house I am not properly fixed as yet. I was sorry to put Mr Geraghty to such trouble for nothing, and he giving these journeys for nothing, as I am a Geraghty myself now alias Raftery.

To James Bruen, Esq.,

Clerk Glennamaddy Union.

Glennamaddy 25.3.'13

To the Chairman and Gentlemen of the Board,

Gentlemen,

In regards to Mrs Bridget Raftery's report on the 19th for non-payment of Patrick Raftery, O.B. Child's money for 13 weeks I beg to state that this woman B. Raftery fester parent of P. Raftery was always in the habit of coming to Glennamaddy for her money, until she changed to her new residence. She not coming to me for the money as usual, I went to her new residence on two occasions and not finding her in, I returned home without seeing her. Then she wrote to Mr Bruen inquiring about her money, so I went to her the third time and she not being in the third time I made a search for her, and finding her in one of her fields far off the house, I paid her the money that was going to her, so she was quite satisfied, and said it was her own fault for not being in when I called.

I am, Gentlemen,

Your Obd. Servant,

P. Geraghty, R.O.

The following Orders of the Local Government Board for Ireland were laid before the Board, and directions given thereon, as follows:—

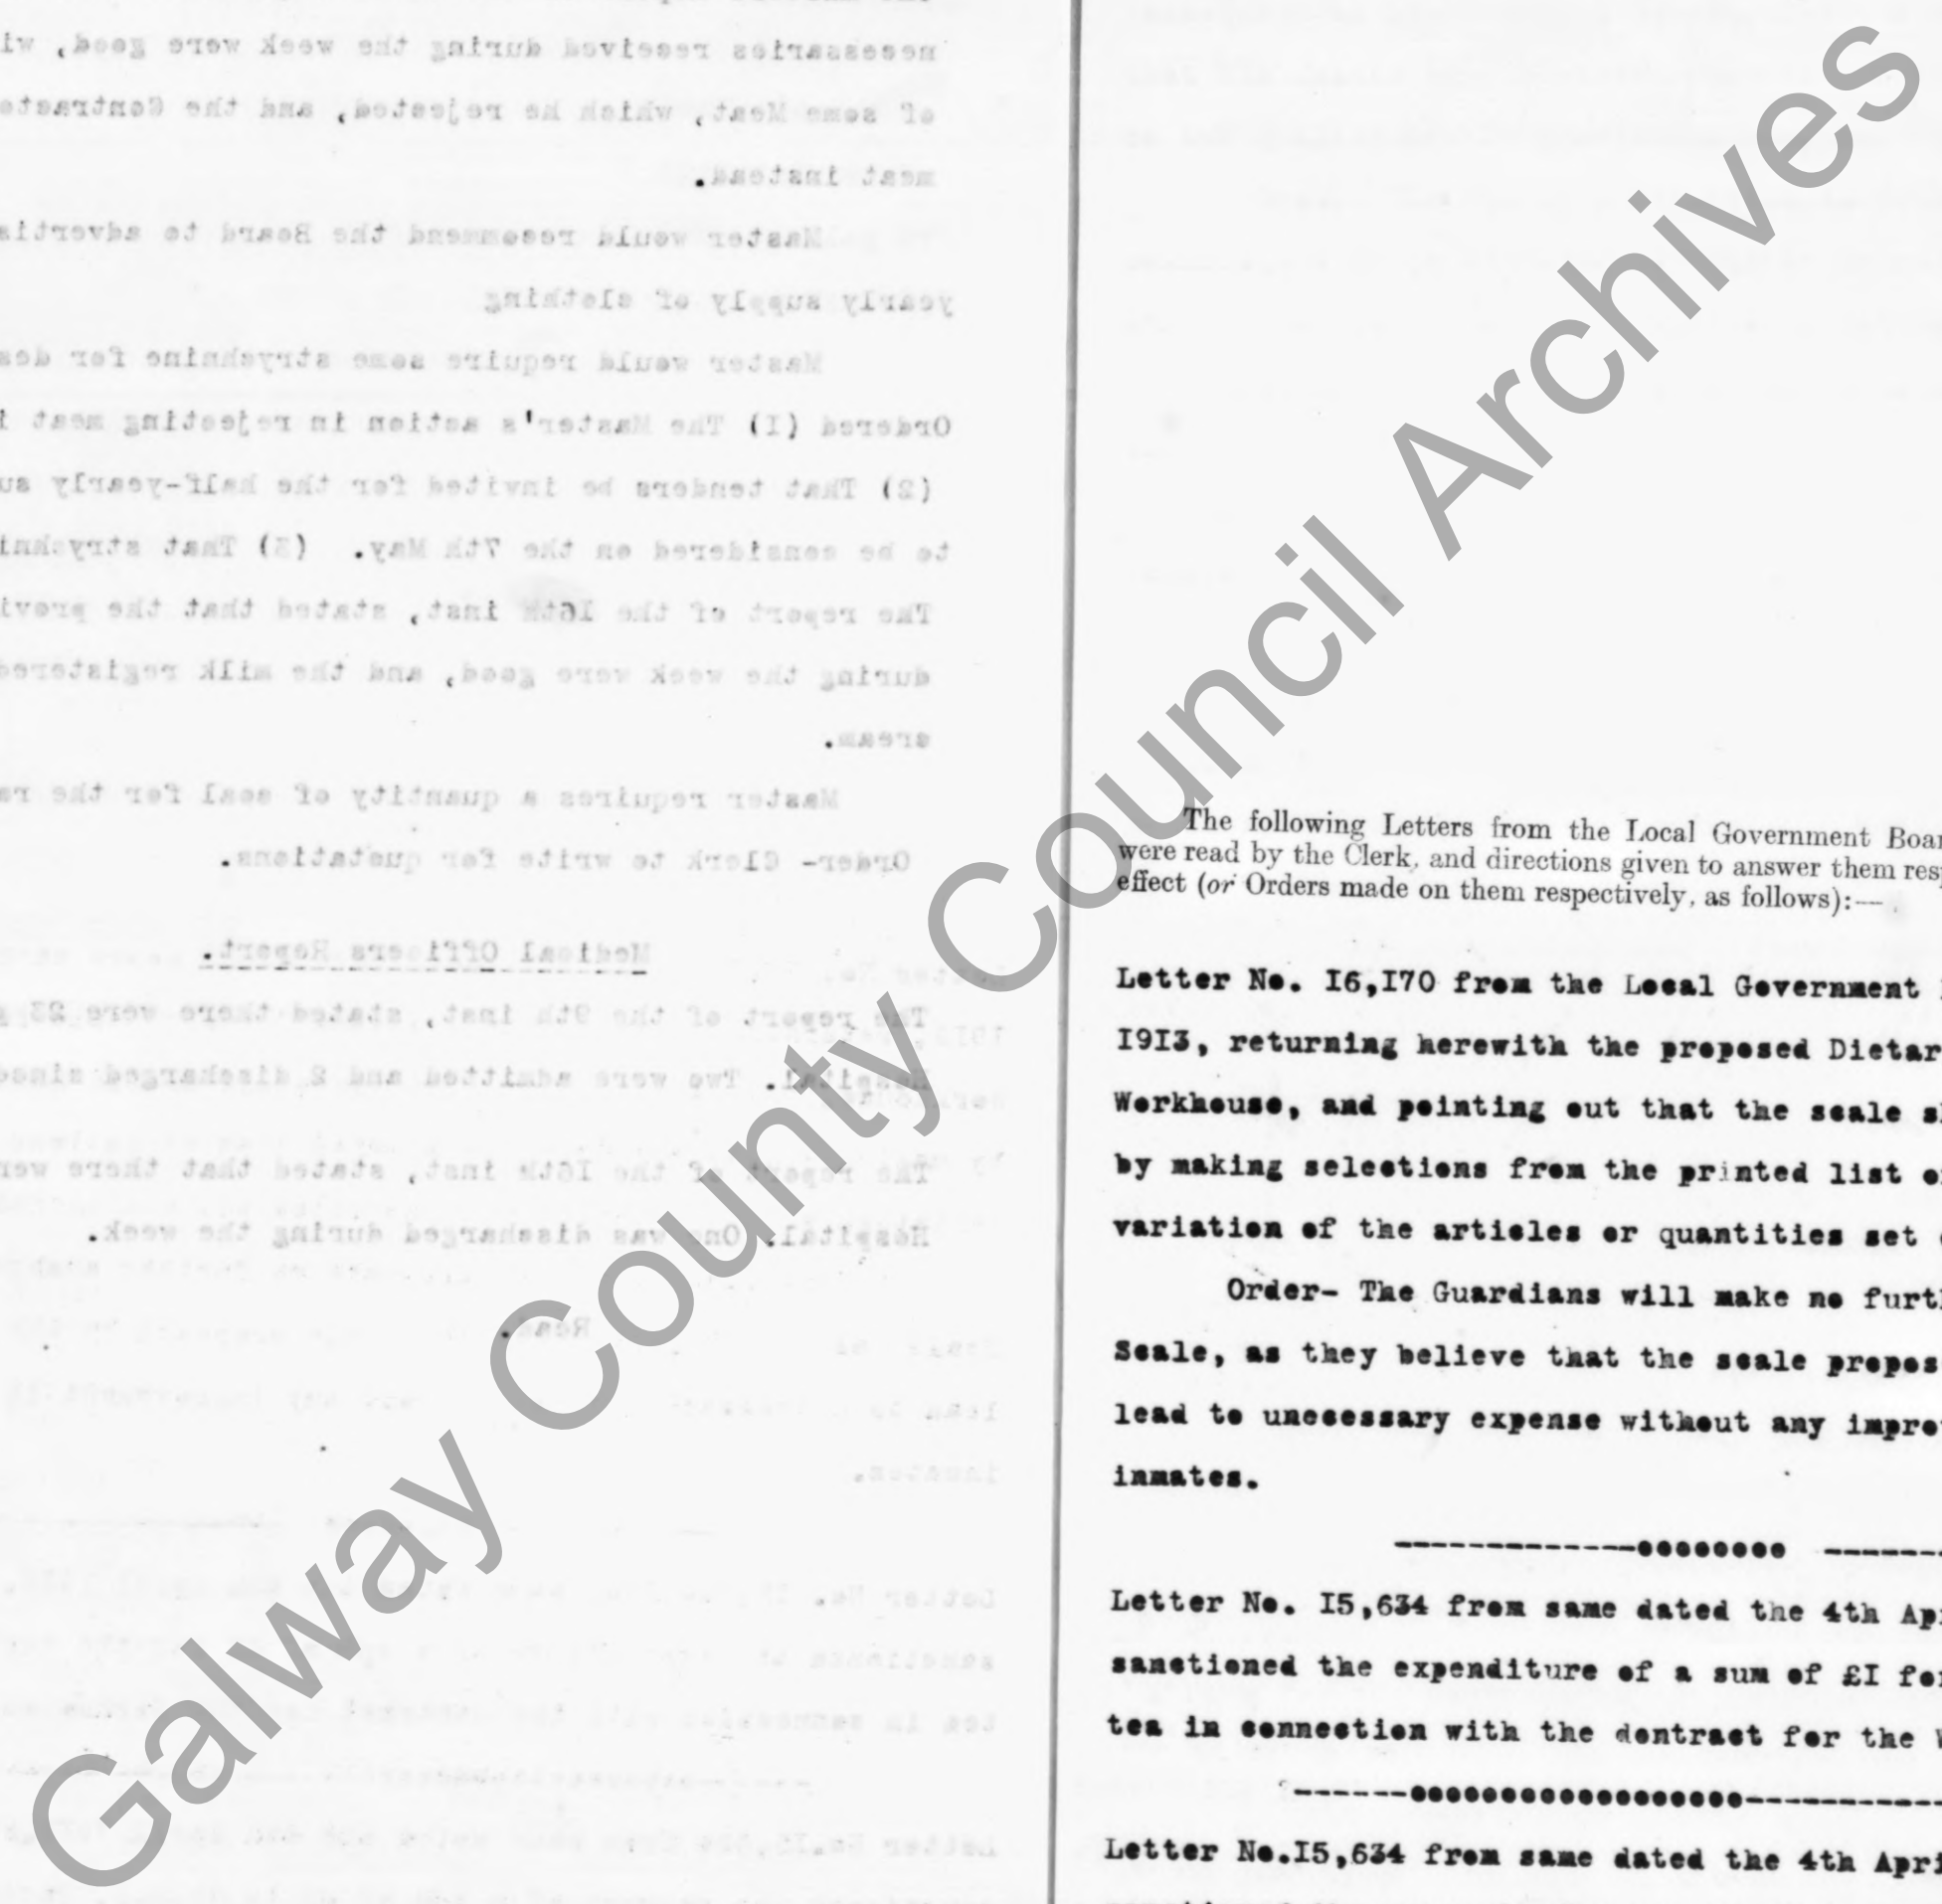

The following Letters from the Local Government Board for Ireland, and others, were read by the Clerk, and directions given to answer them respectively, to the following effect (or Orders made on them respectively, as follows):—

Letter No. 16,170 from the Local Government Board dated the 3rd April 1913, returning herewith the proposed Dietary Scale for the inmates of the Workhouse, and pointing out that the scale should have been drawn up by making selections from the printed list of rations (enclosed) without variation of the articles or quantities set out therein.

Order- The Guardians will make no further change in the Dietary Scale, as they believe that the scale proposed by the L.G. Board, will lead to unnecessary expense without any improvement in the Diet of the inmates.

Letter No. 15,634 from same dated the 4th April 1913, stating they have sanctioned the expenditure of a sum of £1 for the testing of samples of tea in connection with the contract for the Workhouse supply.

Letter No. 15,634 from same dated the 4th April 1913, stating they have sanctioned the payment of a sum of £2 to Mr. M. J. Garvey, as remuneration for his services in taking and valuing stock in the Workhouse for the half-year ended the 31st ultime.

Letter No. 13,091 from same dated the 4th April 1913, forwarding the report which the Board have received from their Inspector, Mr Paek Beresford consequent on his recent inspection of the Workhouse, and the Board request that the Master may be called upon to exercise greater care with regard to the quality of the provisions received by him from the contractors.

Order- The Master's attention to be called to the Inspector's remarks, and he is directed to call the Medical Officer's attention, when he doubts any of the supplies is not up to the standard.

That quotations be asked for the beds mentioned by the Inspector for the Infirm Wards.

That the other matters in the Inspector's report be adjourned for consideration by the Guardians at their meeting on the 23rd inst.

Circular letter No. 34 from same dated the 9th April 1913, forwarding returns to be filled up showing names of the Officers employed by the Board of Guardians.

Order- To be furnished.

Letter No. 12,561 from same dated the 8th April 1913, with reference to Minutes of the 5th ultimo, the Board request that they may be furnished with a specification and estimate shewing the repairs to be carried out to the Drying closet at the Workhouse.

Order- Refer to Engineer.

Letter No. 12,561 from same dated the 10th April 1913, relative to the application of the Board of Guardians for sanction to a loan of £350 for the purpose of improving the Water supply of the Workhouse, and the Board request that they may be furnished with a report from the Engineer on the matter.

A form for the sanction to the loan is enclosed herewith.

Order- The Engineer Mr Meran is requested to furnish the necessary report without further delay. The Guardians feel that Mr Meran is taking this question too easily, as they consider the contract should have long since been completed.

The Guardians have to point out that the application in connection with this loan has already been lodged with the L.G. Board.

Read explanation from Mrs Winifred McGermaek, stating the cause of the irregular attendance at school during the month of March of the child Bridget Hyland boarded out with her, was owing to her having contracted a cold.

The explanation was marked satisfactory.

The Clerk stated there was cheque for £31:7:0 due to Mr. B. Gellins, Glennamaddy, who died on the 9th inst, and which was to be paid on that day. He asked the Board's instructions as to who the money would be paid to.

Order- That the payment be made to the wife of the deceased, and that she be asked to give an undertaking to indemnify the Guardians from any claim afterwards.

That the Contracts accepted from Mr M. B. Gellins for supplies to the 31st March 1914, be handed over to his wife at the prices accepted, and that she be asked to enter into a bond for same.

Proposed by the Chairman,
Seconded by Mr D. Mulligan,

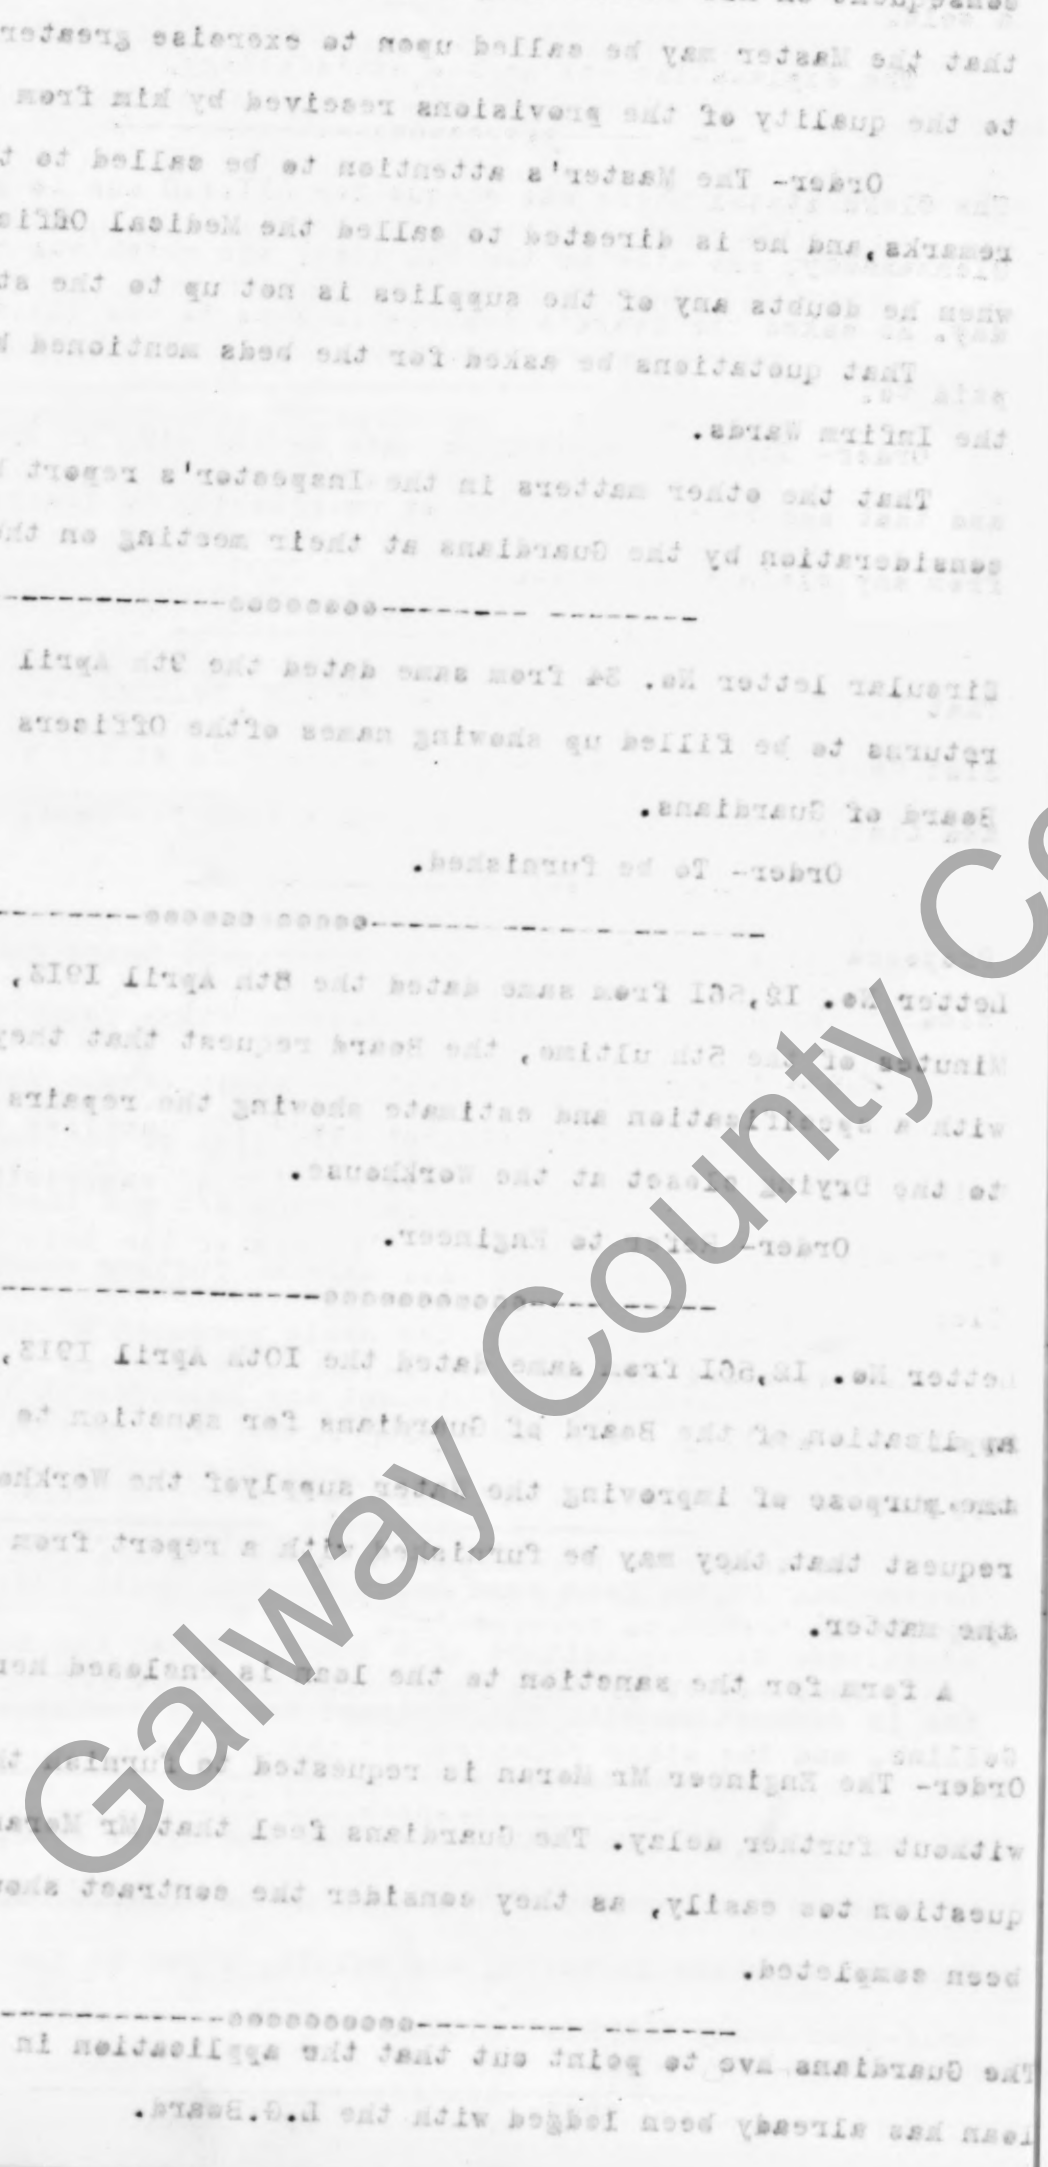

and passed unanimously:-

That we, the Board of Guardians of the Glennamaddy Union, take this our earliest opportunity of expressing our deepest sympathy, with the friends and relatives of the late Mr. M. B. Gellins Glennamaddy.

The deceased who was a respected merchant was upright and honorable in all his dealings, and for a long number of years was contractor for supplies to the Union, in which he gave every satisfaction. *He had endeavored himself to help who had the pleasure of knowing him, and his death will be sorely felt in the district especially by the poor.* We tender to his afflicted widow and his family our deepest sympathy in their sad bereavement.

That copies of this resolution be forwarded by the Clerk to Mrs Gellins, and the other relatives of the deceased.

	The following letter was read, Williamstown, Ballymee, 7/4/1913.	Dear Sir, In reply to your letter asking for an explanation as to the cost of Medicines being so high, having regard to the number of Tickets, I have to state that I supply the Dispensary Medicine to the Scale of fees' patients where the fee does not exceed Five Shillings, as especially when there is a distance to be covered this is barely an equivalent to car hire and obviously I could not supply these cases with medicines from a private source, as I have to pay the full price for drugs for my own use from Messrs Fannin, and don't get the discount which is given in Union Contracts. I explained this to the Local Government Inspector at the Annual Inspection. yours faithfully, G.F.X.O'Sullivan.	Order Refer to Local Government Board. Read account from Mr John McGill amounting to £1:8:6 for painting and lettering 2 notice Board's at the Dunmore Dispensary. Order- Pay on Medical Officer's certificate. -----

		The following letter was read, WILLIAM J. BULLIVANT, Ballymore, 1/4/1913.	
	Dear Sir,		
		In reply to your letter asking for an explanation as to the cost of Medicines being so high, having regard to the number of Tickets, I have to state that I supply the Dispensary Medicines to the "Boots of Fees" gratis where the fee does not exceed five Shillings, as especially when there is a distance to be covered this is barely an equivalent to our hire and eventually I could not supply those cases with medicines from a private source, as I have to pay the full price for drugs for my own use from Messrs Parry's, and don't get the discount which is given in Union Dispensaries.	
		I explained this to the Local Government Inspector at the Annual Inspection.	
		Yours faithfully, W. J. Bullivant.	
		Order of the Local Government Board.	
		Read account from Mr. John McNeill amounting to £1:5:0 for printing and lecturing at the Dispensary.
