The following Letters from the Local Government Board for Ireland, and others, were read by the Clerk, and directions given to answer them respectively, to the following effect (or Orders made on them respectively, as follows):—

Letter No.20505 from the L.G.Board dated the 25th April 1913, stating they had before them the reports of the Relieving Officers on the children boarded out from the Workhouse, together with the records of the school attendance, and the Board desire to state, that the school teacher's statement as to the child Thomas Burke is not very satisfactory, and they request that the Guardians will be so good as to obtain a special report from the Relieving Officer as to this child.

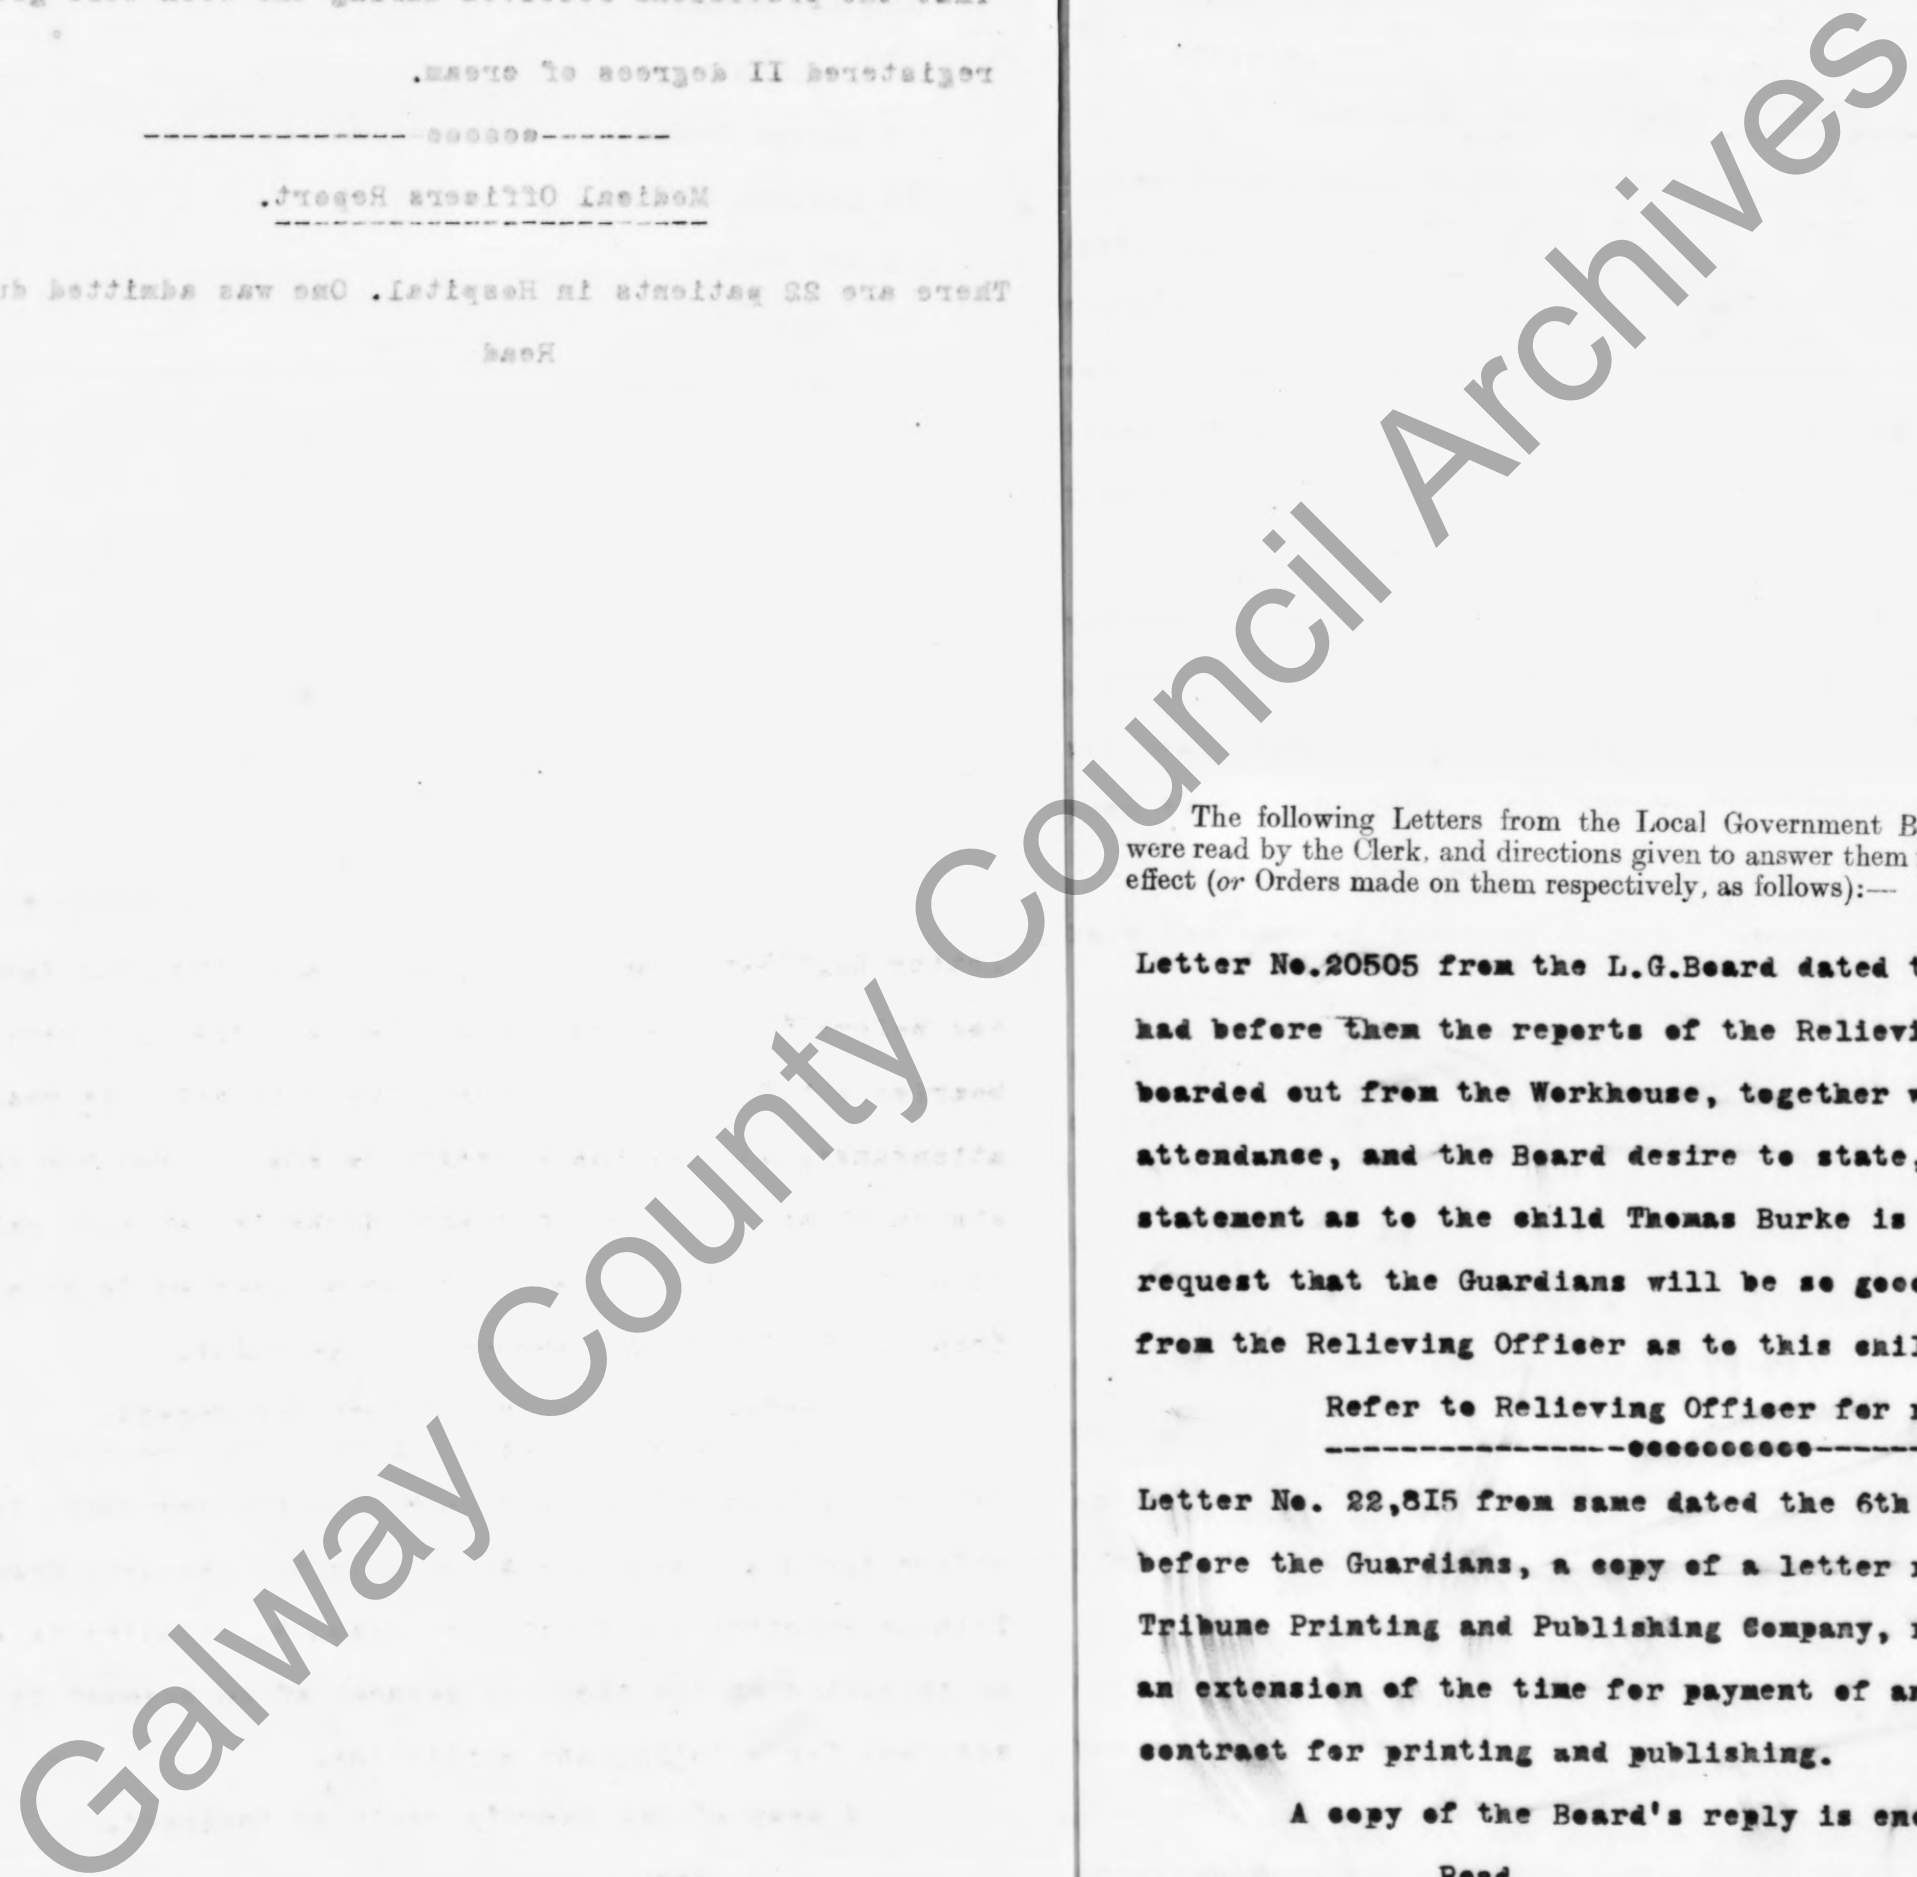

Refer to Relieving Officer for report.

Letter No. 22,815 from same dated the 6th May 1913, forwarding to be laid before the Guardians, a copy of a letter received from the Connaught Tribune Printing and Publishing Company, relative to an application for an extension of the time for payment of an account in respect of a contract for printing and publishing.

Read

Letter from the Secretary Galway County Council, asking permission of for the use of the Union Dispensary on the second Friday of each month for their Medical Officer Dr. O'Beirne, with a view to meeting persons suffering from Tuberculosis, and giving them such help as may be

possible under the provisions of the Tuberculosis Prevention (Ireland) Act, 1908.

Granted, provided the arrangement does not inconvenience the Medical Officer.

Workhouse Water Supply.

Letter from Messrs Casey, Clay and Collins, Solicitors, dated the 29th April 1913, stating their clients Messrs Campbell have handed them the Clerk's letter of the 24th inst, with enclosures. They have gone carefully into the matter with them, and it is quite clear that the Guardians are now liable to pay their clients £157:2:2, in respect of the contract for the sinking of the well, and the placing of the pump in it.

The matters referred to in the recent correspondence have no concern whatever with that contract- the supply of water to the cistern was a subsequent matter independent of the contract, further if the water does not reach the cistern it is solely because of the defective pipe from the pump to the cistern, for which their clients are in no way responsible.

They have been instructed to issue and serve writ, and requesting to have the name of a Solicitor who will accept service.

Order- The Guardians desire to point out that the Pump erected is not even lifting water to the surface level since last October when it was adjusted, irrespective of lifting the water to the cistern.

Their Solicitor, Mr Henry Coneman, Tuam, will accept service of Writ.

The Board had before them Quotations for coal, and accepted the tender of Messrs J.J.Carroll, & Co., Dublin to supply one waggon of Best Double screened Wigan Coal at 27/2 per ton, supplied in Bags carriage paid to Donamen Station.

Letter from May A. Flannery, Wardsmaid, dated the 30th April 1913, resigning her position as Warden such.

Accepted. Advertisement to be issued for a successor at a salary of £14 a year and rations. Appointment to be made on the 21st inst.

Letter from Mr T.M. Walsh, Plumber, Roscommon, stating he is prepared to accept the Guardians offer of £3 in full settlement of his account £4:8:2

work done at the Werkhouse.

Letter from Ellen Geoghegan, Wardsmaid, asking the Board to grant her 14 days leave of absence. The Medical Officer and the Nursing Sisters will have no objection.

The Master stated that this woman was called away suddenly on the 29th ult, to home.

Leave granted to date as from the 29th ultime.
