16 July 1861

Miss Mary Shartley having applied to the Guardians at a Special Meeting of the Board this day for a Certificate of Character during the period she filled the office of Nurse to the Workhouse Infirmary, now one year and eight months, the Board has authorized me as the presiding Chairman to state, that she fulfilled the duties to the satisfaction of the Guardians and their medical officers.

Meeting of the Board of Guardians of Rathfriland Union
11 June 1861. -

Proposed by Mr A W Byrne seconded by Mr D S Henry and passed
That the Board having considered the circumstances which have
led to the Commission, requiring the present Nurse to resign, and
having heard from the Medical Officer of the House that she
always most efficiently discharged the important duties of her
office, is of opinion that a more complete investigation of the
difference between the Master and Nurse, would have led the
Commissioners to a different decision, and that the Master has
been too exacting in his department to the inferior Officers of the
House, accordingly submit (whilst paying due deference
to the Commissioners judgment in such matters) that the
the reelection of said Nurse this day be confirmed, and
do therefore reelect said Infirmary Nurse. -

The cases of provisional relief, and applications for relief were considered and decided on, as set
forth in the Application and Passport Books.
