Whereas on reference to the late revision it appears that the valuation of the Gort Convent was raised from £15 to £25, and that the valuation of no other house in the Town was altered or increased, And whereas a similar incident occurred two years ago with respect to the same Establishment, which the Commissioner of Valuation admitted to be a mistake and corrected it as such

Resolved that the Matter be now referred back to him for consideration with one observation from this Board that they have been informed the Convent underwent no alterations or improvements since the period referred to.

Whereas at Trinity Quarter Sessions, 1863 legal proceedings were taken in the name of this Board, for the recovery of Rates assessed on said Convent, on which occasion the Chairman for this County decided that that Establishment was exempt from all assessment for poor Rates

(being used for charitable purposes) and accordingly dismissed such proceedings on the merits, and with costs to be paid by this Board. —

Proposed by Mr Pat^r. Fitzpatrick seconded by Mr Andrew Bellew Nolan, and Unanimously Resolved
That this Board is determined to abide by that decision, and not again to resort to fruitless and vexatious litigation, and they are fortified in this determination by the subsequent and similar decisions of the Chairman for Clare and other Counties on the same question.

Resolved also that the Commissioner of valuation be requested to give effect to those decisions by assessing the Landlord for those rates pursuant to the 15 & 16 Vic Chap 63 Sec^r 12, and the 17 Vic Chap 8 Sec^r 2 on the annual rent of £30 payable out of said convent. —

I hereby give notice that I will on this day fortnight move that the Salary of the Apothecary of the Workhouse be raised to £30 what it was, before the last reduction
