Meeting of the Committee of Management Kinnara Dispensary District, July 7th 1873

In the Chair Walter Shaw Taylor Esq. —

Other Members present James F. Moran Cllr. W. G. Murray Esq. Daul. O'Dea, Michael Sturanton, John Kilkelly & John Burke

Michael Larkin having been called stated that he got a ticket from the Relieving Officer about 2nd May for Bantly Breaghly wife, gave it to Dr. Kynes and asked whether he go up that evening Dr. K. said he would not see her that evening asked Dr. if he would see her in the morning, Dr. said he supposed he would Doctor did not go. He afterwards said that he applied to Dr. Kynes often before and that the Doctor always attended him at once and treated him well and was very kind to him.

Dr. Kynes — Stated in reply that he had recollection of the presentation of the ticket or of the occurrence stated by Michael Larkin, but in registering the Dispensary tickets in a few days after he found a ticket which it is alleged this ticket is but which he thought at the time was presented to him by a person who required to have a tooth drawn the Relieving Officer being in the habit of giving visiting tickets to persons requiring that operation to be performed between one Dispensary day and another and two of which tickets had been presented to him (Dr. Kynes) that week — that he registered the case under this impression as to the accuracy being fully satisfied that that registration was correct, until this charge was brought against him in six weeks after and he further adds that he passed by that village on three different occasions since visiting Dispensary patients in the same neighbourhood and that had he known this case he would of course have visited this woman also

It was then proposed by Mr. G. Murray Esq. and seconded by Mr. John Burke the complainant, that we submit herewith the Statement made by Michael Larkin in relation to the complaint against Dr. Kynes for not having visited

Peggy

Peggy Geraghty on a visiting ticket issued by P. Burke P. Officer and the explanation of Dr. Hynes upon said statement and Complaints - We are of opinion that the ticket was delivered to Dr. Hynes but that the Circumstances of his not having attended upon it was entirely owing to the extra duties which were at the time imposed on him and in further application having been made to him by any person or persons on the part of the Workhouse Committee it has escaped his recollection We are strengthened the more in this our opinion that for so many years, Dr. Hynes has so well and so faithfully discharged his duties as Medical Officer of the District in no case having ever intentionally neglected to attend on any visiting ticket
