Read Letter from L.G. Board No 237-M/75 dated 3rd Dec. 75 in reference to the resolution to allow the Porter of the Workhouse the money value of his meat rations and stating that they will not further object to the proposal under the circumstances, but it must be distinctly understood that this arrangement cannot be regarded as a precedent in future cases.

Letter from L.G. Board No 23250, dated 3rd Dec. 75 acknowledging the receipt of the explanation furnished by R. Offr. Burke in regard to the case of Bartly Kelly, a recipient of Out-door Relief and also statements made by W^{ms} Vally & Inland on the case.

It appears from these communications that Bartly Kelly was a proper object for outdoor relief and the L.G. Board observe that there is no charge against the Relieving Officer that the money has not been duly received by them also observe that he did not visit Kelly from the

22nd Feb^{ry} to the 5th Oct last but relying on the representations made to him from time to time by the Medical Offrs continued the relief. This was in the opinion of the Local Govt Board a most negligent and careless discharge of his duty, it been incumbent on him to visit Kelly and act upon his own judgment & responsibility as to the necessity for the continuance of the relief; and the Local Govt Board request that this view of his conduct may be conveyed to the Relieving Officer and that he may be cautioned that should any further complaint arise as to the manner in which he discharges his duties serious notice will be taken of it.
