The following Orders of the Local Government Board for Ireland, were laid before the Board and directions given thereon as follows:—

The following Letters from the Local Government Board for Ireland and others, were read by the Clerk, and directions given to answer them respectively, to the following effect (or Orders made on them respectively as follows):—

Letter from Local Gov. Board dated 12th inst. stating in reply to Guardians' minute of 29th ulto that the superannuation allowance granted to the Case Rate Collector Hardiman should be charged to the Union at Lurg. The Local Gov. Board forwarded copy of their circular of 19th Oct 1872 on the subject.

Ordered — "The Guardians hope the allowance may be charged to the Division for which Mr. Hardiman was collector and they protest against its being made a Union charge."

Resolved — "If Govt Board of Guardians condemn the jury packing system practised by the Crown in the trials of John Dillon & his fellow Travellers and the action of the Crown in ordering Catholic jurors to stand aside practically amounts to a refusal of the "Emancipation Act" and tends to make the Irish people abandon all respect for, and confidence in the administration of the Law. We believe the intention of the Crown to be to endeavour to obtain by hook or crook the conviction of the Travellers whose efforts and their manly & noble efforts to save the Irish Tenant Farmers from the merciless oppression of their hard-hearted and rack-renting landlords. We believe John Dillon was justified in preaching the Plan of Campaign, for no other remedy could have saved the Irish People."
