The following Letters from the Local Government Board for Ireland and others were read by the Clerk, and directions given to answer them respectively, to the following effect (or orders made on them respectively, as follows):—

Letter from Local Gov^t Board dated 14th inst informing the Guardians that they have received the half yearly report of their Inspector, Mr. A. Bourke, on the Union the financial condition of which is unsatisfactory. Collectors Corbett & Hoyle are discharging their duties in a dilatory manner & none of the Collectors had complied with the Guardians order of 13th inst. The Board request the Guardians will call on the Collectors to proceed more energetically so that a new rate may be struck next month & the Union placed in a sound financial condition.

Mr Bourke suggests the advisability of having the schoolroom refloored before winter

490

and the floor of the Separation Hall erected. New desks, he adds, are very much needed in the School.

The Inspector states the Fever Hospital Nurse is anxious to have a door made between her sitting room and bed room & to have the present door into her bedroom shut up. This would be a great improvement. In her sitting room which is very small there is at present an American stove which is far too large for the room & this with advantage might be removed and placed in the Hospital kitchen in place of the open grate at present there, and the Master informed him that he has a small grate which might be substituted for the stove in the sitting room.

The Local Gov^t Board request the Guardians will take the Inspector's suggestions into consideration.

Ordered— The Collectors to be called on to close their collections without further delay. An Estimate for a new rate will be considered on 7th Sep. Invite tenders in November for new desks, reflooring the schoolroom & erecting the Separation Hall.

Mr Bourke's suggestions with reference to the Fever Hospital Nurse's rooms to be carried out under the supervision of the Master.

Ordered— Advertise for 20 tons of Hay for two days fortnight.

Invite tenders for usual yearly supplies for 21st Sep.

Letter from Local Gov. Board dated 12th inst stating that the amount of results fees to which the Teachers of the workhouse school would be entitled to if the School were an ordinary National School & the Union contributory is £8:0:6 Proposed by Mr. Lunniff.

Seconded by Mr. John Smith & Resolved:—
"That the Schoolmistress be allowed £8:0:6 being the amount of Results Fees which would accrue to her consequent on the last examination if the School were an ordinary National School and the Union contributory & that the consent of the Local Government Board be requested."

Advised—Having considered a letter from the Registrar General on the subject, the Guardians are not at present prepared to make arrangements for heating the Strong Closet.

From Local Gov Board dated 15th inst expressing their sanction to the temporary change in the dietary of the workhouse inmates as recommended by the Medical Officer.
