Board giving instructions under the

In pursuance of the above regulations
in the "Form A" of the order was issued
to each Guardian to attend the meeting

question whether the occupiers of land
in any Electoral Division or Divisions of
the Union are generally unable through poverty

an adequate supply of Seed potatoes

Having considered the foregoing the
following resolution was adopted:—

"We the Board of Guardians of Gort
Union do hereby resolve that we
consider that the occupiers of land
in the Electoral Divisions of the Gort
Union are generally unable, through
poverty and the extent of the failure
of the potato crop, to procure an
adequate supply of Seed potatoes,
and that we shall at a meeting
to be held on this day fortnight
apply to the Local Government
Board for Ireland for a loan under
the Seed Potatoes Supply (Ireland),
Act 1890 for the use of the Electoral
Divisions, the amount of the loan
to be applied for for each of the
said Electoral Divisions to be such
as we shall determine at that meeting"

The Clerk was directed to ask the Local
Government Board the following question:—
Can the Guardians sell Seed Potatoes
to any person, not being the owner or
occupier of land, who grows them for his
own use, as per agreement with the tenant
and on his application— on a holding
over £15 valuation same as on holdings
under £15 valuation, the tenant in either
case agreeing to pay cost of same?

Proposed by Mr. J. Connolly
 Seconded by Mr. L. Cunningham and
 unanimously Resolved:—

"That we the Gort Board
 of Guardians renew our confidence
 in our tried and trusted leader,
 Charles Stewart Parnell,

In doing so we are contented with the
 fact that no political act of his life
 contains a stain that should condemn
 him in the eyes of his fellow Countrymen

That a copy of this resolution be

Proposed by Mr. M. Conolly
Seconded by Mr. J. Geoghegan and
Resolved.—

That this Board wishes to impress on the Local Government Board the great necessity that at present exists for the employment of able bodied poor of this Union of relief works of a permanent or reproductive character. That as the Union is not to derive any relief from the scheme of railway construction introduced by the Government in several of the Unions in the West of Ireland and from the great number of small occupiers and labourers in this Union who are at present incapable of supporting themselves and to whom relief cannot be given from the rates of the Union they not being legally entitled to it, consequently we hereby call on the Local Government Board to bring this matter before the Chief Secretary at the earliest possible moment and to have works opened such as the cutting of hills

hills on public roads, the making of roads into large villages which are at present without any such accommodation, or arterial drainage in such districts as are most convenient to the greatest number of poor. Such a system we consider the best to bring the relief as near as possible to the seat of distress. We hereby consider the greatest responsibility rests on the Government or the Local Government Board if they allow a single able bodied labourer to suffer from hunger in this Union whilst they are willing to work but will not beg as they seek for employment but not for alms."

Lord George dissented so far as relates to Ardaraullivan Electoral Division

On the recommendation of the Medical Officers Mr. Glynn and Patrick Brennan were ordered to be sent to Dublin Hospitals for treatment and their railway fares and maintenance charged to Siltaton and Haste Taylor Divisions respectively
