The following Letters from the Poor Law Commissioners and others were read by the Clerk, and directions given to answer them respectively, to the following effect, (or, Orders made on them respectively, as follows:)

Read letter from Poor Law Commrs approving of Medical Officer's Report & suggestions on last Board day, & forwarding plans of temporary Fever Sheds.

Letter from Poor Law Commissioners ~~forwarding~~ calling upon the Guardians to collect the Rate, to enable the new Rate Resolved upon, & collect it.

The Plans for erection of a Permanent Fever Hospital, has been received and laid before the Board.

Having read the letter from the Poor Law Commissioners stating that had we agreeably to their Circular of the 10th Sep 1846 struck a Rate & that immediate steps for its collection we would not now be in the deplorable state in which we are,

That we are not a little surprised at receiving such a letter from the Commrs as they have been regularly furnished with copies of our Minutes by which they must have seen, that we not only immediately struck the Rate (2^d Oct 1846) after giving a fortnight notice, but lost not a moment in attempting its collection and have actually to this date collected about 700 of said Rate being the well part as due from the Sanded Proprietors, but that from the present state of the County it is almost impossible to collect even from those who had heretofore been considered as comfortable farmers, but had we even the entire of this Rate collected it would not give us means to provide for the increased numbers recently admitted into this Union Workhouse, we must therefore in the strictest manner request the Commissioners will urge on condition on the Lords of the Treasury, praying they will sanction the advance of £3000, on the security of the Rate, we have now struck & which so soon as practicable we shall collect and repay with many thanks.

Provisional Admissions into the Workhouse, and applications for admissions were considered and decided on, as set forth in the Application and Report Book.
