The following statement was handed in by the Medical Officer with reference to the Commissioned Letter regarding the reduction in his salary and that of the Apothecary

To The Board of Guardians  
 Galway Union

Gentlemen With reference to the Poor Law Commissioned Letter of the 16<sup>th</sup> Ult. Calling on you to take into consideration the salaries of the Medical Officer and Apothecary of the House with a view to an alteration in same.

I feel it would unnecessary to address you after having within the last two or three months carefully revised the salaries of the Workhouse officers generally, and on that occasion not having deemed it expedient to interfere except to a trifling extent with the Medical Department however. Considering the source from whence the present Government originates. I feel it my duty to lay before you the reasons why I consider with all respect my salaries ought not to be disturbed

1<sup>st</sup> My salary has been from time to time very much increased & reduced

2<sup>nd</sup> The Fever Hospital is not confined to the House Lunatics but is open to all cases of Fever and other Contagious diseases in this Union. that it is strictly speaking a Union Fever Hospital subject at all times to some or other of Epidemic disease. that in consequence of this arrangement the salary I ought to receive was referred to a Committee of the Board who decided that £50.0.0 per annum was the sum I ought to receive for such duties and the opinion of your Committee was ratified by a very full Board of Guardians. under those circumstances I am sure you will not consider it fair to appertain

Next Meeting of the Guardians to be held on \_\_\_\_\_ the

Take notice that I will on this day fortnight move to have the appointment made for the collection of poor rates in the Electoral divisions of Cahernore, Dorra, and Kiuwara rescinded, and that the Board of Guardians do proceed to advertise for a Collector for the above divisions in the usual way.

Dated at the Govt Board room this 8 January 1855  
Signed Michael Stanton

I do hereby give notice that on this day three weeks I will move the Board to reconsider that part of the resolution of the last Board day fixing the salary of the apothecary at £20 a year, also that portion of an resolution which states that should the office be vacant, the whole will be given to the medical officer, as I consider a physician should not take on himself the duties of an apothecary, and I will also move that the salary of the apothecary be fixed at £30 per annum viz £15 for the Workhouse Infirmary and £15 for the Fever Hospital, which I submit is the lowest in the Kingdom for two Hospitals.

Signed A. Alexander

Notice that I will on this day three weeks move that the apothecary of the Workhouse be dispensed with & that the Doctor be obliged to compound the medicines

Signed P. H. Glynn

Resolved that if the Rate Collectors do not attend before next Monday to take up the Rate Books & enter into their securities for the due performance of same the Board will proceed on that day to appoint other Collectors. —

Resolved that as it appears the Commissioners are of opinion the Board ought to have advertised for a Rate Collector for the Electoral divisions of Cahernore Woods and Kinnarra, instead of appointing Mr Hardiman without that notice, our Clerk be now directed to send out the proper advertisement for the appointment to be taken into consideration on this day fortnight. —

Next Meeting of the Guardians to be held on \_\_\_\_\_ the
