Gentlemen

As considerable doubt exists among the Guardians respecting the following case the opinion of the Poor Law Commissioners is requested. Bridget Morrison was relieved by coming into the Workhouse in January 1853 and left in June 1853. She has not been relieved since and has resided in the Electoral Division only this month since that period. She was relieved from the Govt Electoral Division in 1853. A Division of opinion exists among the Guardians whether in consequence of her not receiving relief during the twelve months preceding her present application she could be placed on the Electoral Division which she was formerly charged on the Union at large.

Resolved that Mr. Alexander be empowered to write to Mr. O'Lea to the effect that legal proceedings will be taken against him for the Rent overpaid him by the Govt Guardians unless same be refunded by next Monday

The Bonds and other securities in force were laid before the Guardians by the Clerk, together with his Report thereon, as follows: (this on the second Meeting after the Annual Election in every year.)

Resolved that the Guardians, although willing to incur legal Expenses in defending the Service of the Notice of Surrender full particulars of which are in possession of the P. S. C. are of opinion that it would be advisable for the P. S. C. to obtain from their Legal Adviser an opinion whether the Service is good in Law. The Guardians beg also to submit to the P. S. C. that they are now paying £5.00 per Statute Acre for the land so occupied the value of which does not exceed \$1.12.0 per Irish Acre. The Guardians beg to submit that in the Rental prepared by the Solicitor of the late Christopher Moore for the E. E. Court under which the land in question was sold and under which rental Mr. Moore became himself the purchaser. The land held by the Commissioners is described as being held by Tenancy from year to year, the Tenancy determinable on the 25th March each year. Right to Surrender the land cannot be contested but the Validity of the Notice of Surrender the Guardians are anxious of having ascertained in order that a fresh notice be given if it be considered an invalid notice. Mr. Hunt the Land Agent of Mr. Moore objects to the Service of the Notice of Surrender on two grounds. First that the Notice intended for Mr. Moore who resided in England was served personally on Mr. Patrick Burke Mr. Moore's Under Agent at his House in Cork and not at his office there. The Notice for Mr. Hunt was served personally on him both Service made on 26 and 27 September 1853 respectively and it is presumed that the latter Service on Mr. Hunt the agent would be considered sufficient Service on Mr. Moore as well as on himself even if Mr. Burke had not been so served. The objection is that the Notice of Surrender should have been served before the 25th September for the 25th March following.
