In reply to the above communication the Guardians wish to state a specific case for the consideration of the Com<sup>rs</sup>. Honor Quin was an inmate of this Workhouse, she then went out for about nine months, one week of this time was spent out of the Union, on her return is she to be placed on her former Electoral division, or will the absence of the pauper for one month or for one day out of the Union necessitate that she should be placed on the Union at large.

The Guardians of Gort Union cannot help considering a concise and intelligible memorandum of the law of chargeability, should be sent to the different Boards of Guardians, instead of

leaving them to fluctuating interpretations of a confused and ill drawn act of Parliament, and the fluctuating interpretations of local Inspectors.
