We forward for the information of the Board of Guardians the following Extracts from the District Inspector's report of the 5th Inst. upon Great Poor Law Union National School -

" The proficiency of the scholars was, as far as could be expected, in consequence of the very limited time (3 hours) devoted to their literary instruction, on only five days of the week -

" It is however most desirable, that at least one hour should every morning or evening, be spent by the more advanced pupils in preparing their lessons, in grammar, Geography &c.

" The School appears to have retrograded, owing to the teacher's absence thro' illness -

" The clock at present in the Schoolroom is perfectly useless and should be replaced by a new one

We are Sir
Your obedient Servant
Maurice Croft
James Kelly Secretary
