The following Orders of the Poor Law Commissioners were laid before the Board, and directions given thereon, as follows:

The following Letters from the Poor Law Commissioners and others were read by the Clerk, and directions given to answer them respectively, to the following effect, (or Orders made on them respectively, as follows:)

Circular N^o 233 date 16th May, enclosing forms for a return of the Lodgments of Rates from the 29th March to the 31st May 1851

Letter N^o 44, 169. date 22nd May requiring information respecting certain Townlands.

Letter N^o 27, 404 date 19th May, requesting the Guardians to require a punctual attendance of the Collectors for examination of their accounts, and to urge them to collect the outstanding arrears.

Letter N^o 27, 349 date 23rd May, sanctioning the proposed allowance of £20 to the Clerk for his additional duties under the 13th & 14th Vic. Cap 69.

Letter N^o 28, 030 date 23rd May, furnishing extracts from a recent Report on the Workhouse and Auxiliaries by Mr. R. Brouke, P. S. Inspector "The Master is directed to attend to the suggestions in Mr. Brouke's Report in relation to extending the accommodation of the Infirm & bedridden Females

Dr. Lynch is requested to consider the Commissioners' suggestions in reference to the Cases

of Ophthalmia,

With reference to the want of Divine service to those persons in the Aids & Auxiliary Houses, the Medical Officer considers it inadvisable to allow intercourse between those affected with scalded heads, located in those Houses & the healthy inmates, there is no objection to the healthy paupers attending Divine Service at the Workhouse or at the Brewery, these houses are however visited by the Clergymen on week days, and they are not likely to be occupied more than a few months.

Letter N^o 28, 065 date 23rd May, relative to the sum due by the Portumna Guardians for the maintenance of the Portumna Union paupers.

The above letter having been read, and a sum of £300 having been remitted to the credit of the Longhrea Union by the Portumna Guardians, the Board of Guardians of the Longhrea Union desire to inform the Commissioners of their regret that the recommendation and advice of the Commissioners to the Portumna Guardians have not proved satisfactory, and they would respectfully suggest that instead of repeating such advice they exercise their powers officially, as was promised, to compel the regular payment of the monthly estimates for the support of the Portumna Paupers.

If the balances are to await the general adjustment as is stated in the Commissioners letter to the Portumna Guardians, why is it that the monthly estimates are not paid, & why is it that the Commissioners who have been so often appealed to have not compelled the regular payment of these monthly estimates

If the Portumna Guardians made sufficient rates, & collected them they would have funds, and the Guardians of the Longhrea Union must protest against the doctrine that because there are funds to the credit of the Longhrea Guardians they are not to be paid for the support of 839 paupers of the Portumna Union now in the Longhrea Workhouse. It is true there is a balance to the credit of the Longhrea Union, but when it is considered that there are debts affecting this fund nearly equal to the amount of this balance and that there are 2850 paupers to be supported, who are going on increasing at the rate of 50 per week, and that the rates levied on the Longhrea Union have been very heavy, it is deemed most unjust that such grounds as those advanced by
