

The following letter having been read
A letter from Mr. John Cowen Loughrea April 2nd 1845

Sir
I have every reason to complain of the manner in which the recent Election of Guardians for the Electoral Division of Killeenadeema has been carried on, and I request that the Board of Guardians will be good enough to order me a scrutiny of the votes and that I may be at liberty to inspect the voting papers

I am Sir
Your obedient Servant
John Cowen
of the Board of Guardians
Loughrea Union

Proposed by Thomas Burke Esq. seconded by
Denis Daly Esq. and Carried

Resolved. That before any scrutiny be granted that the Candidates in the Electoral Divisions of the Union in which there were contests namely, Portumna, Ballyvaughan, Kiltulla Syneagh and Killeenadeema or any of the Guardians be at liberty within a fortnight to inspect the voting papers in the possession of the Returning Officer

Resolved That cheques be drawn in favor of the following persons due to them to 25th March 1845
Pat Kieley for Rent £ 14.16.3
Michl Treury for Turf £ 13.7.8
Mr Tho. Macklin for supplying materials for Pump 1.6.40
Mr. Hahy for Calt - - - - 6.0.0
Peter Hahy for Michl's account 30.0.0
Michl Cowen " " 12.0.

Resolved That James M. Burke Esq. be appointed a Committee of Correspondence with the Commissioners of the National Board of Education

Report of Finance Committee

Having been appointed to act as the Finance Committee we beg to report that we have audited the several accounts of the Union for the last half year in which we have found nothing unusual or calling for particular remark, we cannot however refrain from calling the serious attention of the board to the vast disproportion which exists between the amount of the actual relief afforded to paupers and the expense attending the administration of such relief and we beg to submit to the board the following short outline of the facts.

The Gross amount of the outstanding rate still uncollected is £863.11.1 of which we think about £700. will be made available.

The total amount of the three rates already laid upon the Union is £5763.7.6 The Union is indebted in a sum of £1221.18.5 yet the cost of food for the support of paupers in this house since February 1842, (when it was opened) amounts only to £2521.0.5 and we beg to offer it as our opinion that under such circumstances it becomes urgently necessary to petition Parliament for an immediate and thorough revision of the existing law

Report on Rate Collectors accounts

Having appointed a Committee to investigate the accounts of the late Collectors of this Union we beg to report that in the Electoral districts of Clontkeen Kiltulla & Athony the late Collector Richard Richard, Esq. furnished to us a list of arrears due in the Parishes of Kiltulla Killinore & Athony which we herewith lay before your Board with the other Collectors lists furnished, he has given in no list of arrears for Clontkeen but states that almost the entire of the rate of that Parish is still due, But judging by the sums he has lodged we are of opinion pretty nearly the ^{full} amount received by him & that most of the outstanding arrears (amounting to about £220, may be collected if due exertion be used but this Collector seems to be afraid of using such exertion, In this district we produced several receipts of O'Brien the former Collector for sums not accounted for, In Kilmore & Kiltilla we find the Collector Patten Kelly to have used due exertion the arrears being only £5.9.5¹/₂ which he states will be shortly paid in, We also find that Mr Armstrong for Loughrea Kilmucanna & Melchist has used due diligence, that out of £1090.6.9. the Amt. of his Collection, he has collected about £800 of which he has lodged £698.2¹/₂ that the arrears is about £290 almost the entire of which we are of opinion the Collector will be able to enforce, In this district also sev^l receipts of the former Collector for sums unaccounted for have been produced by the present Collector, In the district of Helconian & Craughwell we find that Nich^l Synnery the Collector has used due diligence & lodged the sum collected by him & that the arrears of £31.19.2 is likely to be soon paid in, In this district also the Collector reports that he has seen several receipts of the former Collector for sums returned by him (the former Coll^r) in arrears, We beg to report that Hugh Gordon the Collector for Patumna & Syna, & Garrett Burke the Collector for Ballinacree and Douing did not attend,

 Conclusions following
 That Michl O'Brien not having accounted for
 £197.2.4 which he returned in Arrear and unpaid to him of
 which it now appears by his receipts that he received a
 large portion. we are of opinion that the compromise stated
 in the resolution of the late Board of the 23rd November 1844
 should not be received from him

That Michael Walsh late Collector of Longhrea
 Division has not accounted for £226.16.2. That John Byrne
 late Collector of Rileconeraw & Craughwell has not accounted
 for £32.13.6 that the security Bonds of those parties are
 not forthcoming and therefore your Board can only proceed
 against them for Embezzlement. they having received and
 passed receipts for several sums returned by them in Arrear

That before any proceedings are taken against the
 parties (O'Brien, Walsh & Byrne) a copy of this report with a
 copy of the resolution of the late Board of the 23rd November

 the view of taking the opinion of Counsel as to the liability
 of these parties and whether or not it would be prudent to
