~~The Report of the Visiting Committee was read, and Orders were made thereon~~

~~as follows~~

The offence and Punishment Book was submitted to the Board in which the following entry was made viz Mich Ryan for ~~stealing~~ Wilfully breaking seven panes of Glass in the Men's day Room Window on 31st Ultimo and climbing over of the Wall of Workhouse.

Resolved That he be discharged being able bodied and ill conducted,

The Reports of the Master and other Officers were read, and Orders made thereon, as follows:

The Master reports that Patmeal is required as the quantity received last is consumed

That the Pumpers got stratagot made of Indian Meal for Breakfast on this morning

And that six wheelbarrows and two handbarrows is required for the use of the Establishment.

No order made thereon

The number of deaths during week is 25

The following Orders of the Poor Law Commissioners were laid before the Board, and directions given thereon, as follows:

The following Letters from the Poor Law Commissioners and others were read by the Clerk, and directions given to answer them respectively, to the following effect, (or, Orders made on them respectively, as follows:)

Letter from Mr Richard Neill Collector stating the progress made by him in his Collection since the date of his Warrants to the 25th Ultimo,

Circular from the Poor Law Commissioners No 227 of 47 dated 1st Inst, requiring a Return in pursuance of an order of House of Lords in an Accompanying form of the Rates struck, levied and in Arrear under the provisions of the Temporary Relief Act 10th Vict. cap. 17

which had been complied with

2nd Letter No 4702 of 47 dated 3rd Inst, forwarding a Copy of a Statement received from Mr Garrett Burke collector, and a copy of a letter addressed by the Comm^{rs} to him in reply, ~~stating~~ that directions have been given for Mr Burkes removal from his office, and requesting the Guardians will take immediate steps for the appointment of a successor to Mr Burke

3rd Letter No 4804 of 47 dated the 3rd Inst forwarding a copy of a statement furnished by Mr Richard Neill Collector, relative to the progress made by him in his Collection from the date of his Warrants to the 25th Ultimo, which explanation the Commissioners consider wholly unsatisfactory, and stating that they have thought proper to direct an order to be prepared for his Removal &c

The Commissioners of the Poor Law having thought proper to dismiss the Rate Collector Mr Garrett Burke and Mr Richard Neill, the Board of Guardians think it right to state, that they are confident they will not be able to ^{get qualified} Collectors who are able to give sufficient security to collect the Rates, and if the Commissioners persist in enforcing their order on this subject, it will not only cause an injurious delay, but it will also be difficult and nearly impossible to provide Collectors in remote and impoverished districts, particularly such as the Mountain district of Ballynakill, to get the Rates collected. Mr Garrett Burke has been heretofore considered so good a Collector that the Board of Guardians appointed him to collect no less than four Electoral Divisions, namely Ballynakill, Inny, Portumna & Tecum

Provisional Admissions into the Workhouse, and applications for admissions were considered and decided on, as set forth in the Application and Report Book.

The number of Provisional Admissions confirmed was	-	41
Ditto, disallowed	-	-
