The Bonds and other securities in force were laid before the Guardians by the Clerk, together with his Report thereon as follows: (this on the second Meeting after the Annual Election in every year.)

Circular N^o 533 M/47 dated the 22nd Inst requiring a return of the Rates made or agreed upon for the purposes of the ordinary expenses of the Union, or for the purposes of Temporary Relief Act. and the ordinary expenditure conjointly in an accompanying form,
(Ordered to be transmitted.)

Resolved That a special Meeting of the Board be summoned for Saturday next for the purpose of striking a Rate, and to bring into Consideration the Commissioners letters on the subject of the appointment of Relieving Officers.

The letter of the Poor Law Commissioners dated 22nd Inst upon the subject of the Ordnance Valuation of this Union having been read and also a Circular from them of the same date upon the subject of Rates made or resolved upon.

The Guardians beg to state that they mean by the Ordnance Valuation that which was made by Mr Griffith who valued in Townlands, but under the Grand Jury Law these Townlands are apportioned in each Parish by two sworn Competent applotters who ^{have} applotted the

Proportion of each Tenement and holding in each Parish and Townland so that there is now in existence in every Electoral Division an approved and unobjectionable applotment of each Tenement in accordance with Mr Griffiths Valuation.

With reference to the Amount of the Rate to be struck, the Guardians beg to refer to the Accompanying Schedule of Rates struck by the Guardians upon the occasion of obtaining aid from the Relief Commissioners ~~and~~ which Rates were resolved upon to meet the Warrants of the Lord Lieutenant issued on the Estimates of Finance Committee for three Months for each Electoral Division and which Rates were agreed upon under the impression that half the Amount of such loan would be converted into a grant.

The Guardians further beg to state that it is thought unfair to put a Rate upon any Electoral Division which did not obtain any loan or advance from the Relief Commissioners or one not in accordance with the Amount of Relief obtained or likely to be required for the Relief of the destitute even under the New Poor Law Act, and there is therefore an objection to striking an Uniform Rate of 3^d in the Pound upon every Electoral Division.

Resolved that Mr. Thos. Lambert be appointed Schoolmaster at a salary of £18 per annum with the usual duties.

Resolved that the list of arrears of Loughrea Electoral Division having been considered the Guardians direct that proceedings be taken against Mr. Lynch's surties if at the next day of Meeting he don't satisfactorily account for the existence of such large arrears.
