at so much per fallon, tenders to be received up to 12 o'clock on Wednesday the 6th June, on which day the Contractor will (if approved of) be declared.

The Master having reported that some repairs were required in the Bakery — it was, Ordered, — That Mr Macklin be directed to repair the Brickwork on which the metal plates are laid and also to open two Ventilators in the wall between the Bake House & Kitchen to be secured with Iron bars.

Ordered, That the several Relieving Officers be directed to prepare a list of the recipients of Out Door Relief in their respective Districts and cause same to be posted for the information of the Rate payers.

Mr Horsley, J. P. & S. Inspector, having laid before the Vice Guardians a sample of the Indian Corn Meal supplied by the Messrs Rush & Palmer, to the Relief Depot of Milliner Daly which was quite unfit to be used as human food. The Relieving Officer for the District was called into the Board Room and strongly reprimanded for having taken such Meal into Store.

The Vice Guardians then called upon the Clerk for Messrs Rush & Palmer's Bonds, with a view of having proceedings instituted against them for breach of contract and were for the first time informed that he (the Clerk) had neglected to get the Bonds perfected, altho the Vice Guardians had given him instructions to that effect.

Ordered, That the Clerk be directed to have the Bonds perfected without delay and that he write to the Messrs Rush & Palmer informing them that the Vice Guardians feel very much surprised that any respectable firm would allow Meal quite unfit for human use to be issued from their Stores to be distributed amongst the wretched people of

this union at a season of unparalleled destitution and disease and that should they again attempt such imposition the Vice guardians will proceed against them in the strongest manner the Law will allow.

It was further Resolved, - That the Vice guardians, altho disposed to make every allowance for the Clerks want of attention to business in consideration of the delicate state of his health cannot avoid observing that he has permitted the Books and other business connected with the Union to run into a most unsatisfactory state of arrears. And that he has not exerted himself as he might have done to remedy the incurrence and Confusion arising out of such an objectionable line of Conduct on his part
