21.379/56

Circular from Poor Law Commissioners forwarding for the information of the Board of Guardians, a copy of a letter which they have received from Mr. Donnelly, Registrar-General, relative to the destruction of Weeds, and the Commissioners request the attention of the Board to that part of Mr. Donnelly's letter in which he adverts to the benefit that would result, were the Teachers of Workhouse Schools directed to instruct the Children as to the injury arising from and the necessity for destroying weeds on the Farms upon which in after life they may be employed.

21.991/56
 15th Augt. 56

Letter stating that the Commissioners have had before them the Minutes of the Proceedings of the Board of Guardians of the Mount Pellem Union, on the 9th instant, in which the Board state that they have received a Communication from the National Board of Education to the effect, that the Head

and

and District Inspectors of National Schools had reported that Miss Leman, the Schoolmistress of the Mount Pellem Workhouse, was found by them to be deficient in knowledge of the whole course of study prescribed for the third or lowest class of Teachers.

The Guardians further observe that they find it difficult to reconcile this report with reports previously made by the District Inspector, which contain observations favorable to the qualifications of the Schoolmistress, and the improvement effected in the Department under her charge.

In reference to the Guardians' observations on this subject, the Commissioners have to remark that the reports which they have received from Doct^r Buddie, Poor Law Inspector, relating to the Female School in Mount Pellem Workhouse, have been favorable to the Schoolmistress on the whole.

The Commissioners take the opportunity of endeavouring to impress upon the Board of Guardians, that the responsibility which attaches to the state of the Workhouse Schools, and the efficiency of the Teachers, in strictness rests entirely with the Board of Guardians, subject to the Superintendance of the Poor Law Inspectors, and the authority of the Poor Law Commissioners.

The Commissioners think therefore that the Guardians should not lightly withdraw their confidence from Teachers regarding whom they may receive an unfavorable report of any of the Inspectors of ^{the} National Board of Education; although doubtless, on the receipt of every such report, the Guardians will feel it their duty carefully to ascertain whether the censure contained in it has been deserved, and to act accordingly.

201 M/56
 20th Augt. 56
