## SITE NOTICE

Coillte Teoranta (the applicant) seek a ten-year planning permission for development on a site located in the townlands of Derryclare (also known as Doire an Chláir) and Cloonnacartan (also known as Cúil na Ceártan), Co. Galway.

The development will consist of:

- i. The felling/removal of some 343 hectares of conifer plantation for the purposes of peatland restoration and the establishment of native woodland.
- ii. Measures to restore and rehabilitate approximately 281 hectares of Atlantic blanket bog and heathland that is currently planted with lodgepole pine and Sitka spruce forests and managed for commercial forestry.
- iii. Conversion of 62 hectares of conifer forestry to native woodland.
- iv. Main peatland restoration measures will include tree removal, drain blocking (manual and mechanical) and ground reprofiling.
- v. The control of existing invasive species on site and continued control during the restoration works to prevent their spread.
- vi. Drain-blocking all existing artificial drainage and artificial land drains currently existing within the peatland restoration areas in order to restore the high water table which is necessary for blanket bog growth.
- vii. Provision of silt traps at outflows to block the pathway to the Twelve Bens/Garraun Complex Special Area of Conservation.
- viii. Deer fencing to protect 62 hectares of proposed native woodland.
- ix. Provision of a Harvest Management Phasing Plan for the proposed project.
- x. Provision of new internal access road extending to 1.58 km.
- xi. Across the site there will be 4 no. temporary water-crossings constructed in order to facilitate the harvesting of the timber at the site.
- xii. Provision of informational signage.
- xiii. Resurfacing of up to 8.23 km of existing forestry roads.
- xiv. Resurfacing of existing car park to facilitate public access.
- xv. Installation of water monitoring stations for real time water monitoring during operations.
- xvi. Cutting of roadside trees to improved sightline visibility at site entrance.
- xvii. The application is supported by an Environmental Impact Assessment Report (EIAR) and a Natura Impact Statement (NIS).

The Planning Application, Environmental Impact Assessment Report (EIAR), and Natura Impact Statement (NIS) may be inspected, or purchased at a fee not exceeding the reasonable cost of making a copy, at the offices of the Planning Authority at the Planning Office, Galway County Council, County Hall, Prospect Hill, Galway during office hours 9.00am to 4.00pm Monday to Friday (Wednesday 10.00 am to 4.00pm).

A submission or observation in relation to the application may be made in writing to the planning authority on payment of a fee of €20.00, with in the 5 weeks beginning on the date of receipt by the authority of the application, and such submissions or observations will be considered by the planning authority in making a decision on the application. The planning authority may grant permission subject to or without conditions, or may refuse to grant permission.
