

HELP GREEN OUR EVENT

Charter for Stallholders

(Name of stallholder)

commits to the following:

(tick what you are planning on doing)

- Telling our customers and festival-goers about our good environmental practices

Preventing waste by:

- Reducing our energy use and water use*
- Reducing our energy consumption*, and tracking our energy use
- Getting rid of single-portion condiments like ketchup, vinegar, sugar, salt, etc.*
- Offering customers discounts for using reusable cups, containers, etc.*
- Getting rid of single-use items*, such as straws, stirrers, cups, etc.
- Keeping packaging provided to customers to a minimum
- Using reusable, compostable or biodegradable packaging (sustainable packaging)

- Sourcing and using local and seasonal produce, and buying local products and services*

- Using eco-friendly cleaning products*

- Supporting schemes like Fairtrade, Conscious Cup campaign, Refill.ie, etc.

- Segregating all waste correctly

- Cleaning up our stall and the area around it during and after the festival, leaving no trace.

* Where possible.
