

## Census 2011 – Results for County Galway

### Travel

## Summary

### Households with Car Ownership Status

- The number of households in County Galway that have at least one motor car has increased from 85.9% in 2006 to 88.7% in 2011
- County Galway has a higher proportion of households with at least one motor car (88.7%) than the City (76.3%) and the State (82.4%)

### Means of Travel to Work, School or College

- Driving the car is most popular with those going to work (67.7%)
- Being a passenger is most popular with primary school children at 71.5%
- Being a passenger is most popular with secondary school children at 43.6%.
- At 39.1% driving to college is more popular with students than walking (22.3%), taking the bus (15.4%) and cycling (1.7%)

### Time Taken to Travel to Work, School or College

- The most common time it takes workers to get to work is between 15 and 29 mins
- The most common time it takes primary school children to get to school is less than 14 mins. This is most likely because they will live near the school.
- The most common time it takes secondary school children to get to school is between 15 and 29 mins
- The most common time it takes college students to get to college is between 15 and 29 mins

### Time of Leaving Home for Work, School or College

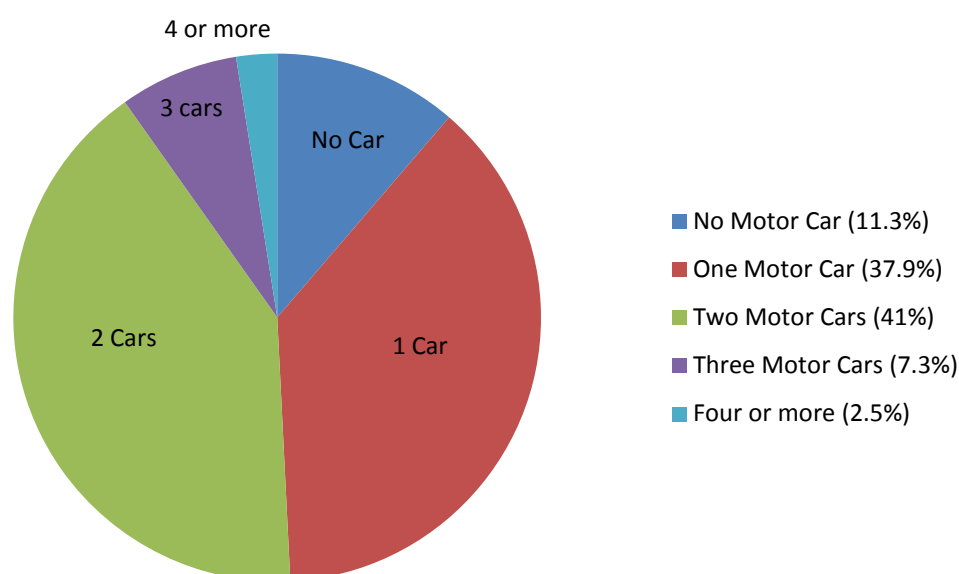

- The most common time that people leave for work is between 07.31 and 08.30
- The most common time that children leave for primary school is between 08.31 and 09.00
- The most common time that children leave for secondary school is between 08.01 and 08.30
- The most common time that college students leave for college is between 08.31 and 09.00
