- Abbey St** **West side:** between a point 5 metres north of its junction with Mob Hill and a point 52 metres south of its junction with Dolphin Street.
- Bride St.** **North side:** between a point 15 metres west of its junction with Station Road its junction with Main Street.
And
North side: between a point at its junction with Station Road to a point 191 metres east of the said junction
- Bride St.** **South side:** from a point at the junction with pedestrian laneway to Bohercom to a point 188 metres east of the said junction.
And
South side: from a point 5 metres east of its junction with Piggott's Street to a point 46.5 metres east of the said junction.
- Barrack St.** **North side:** from a point at its junction with Church St. to a point 17 metres west of the said junction.
And
North side: from a point 76 metres east of its junction with Church St. to its junction with Piggott St.
And
North side: from a point at its junction with Courthouse Rd. and a point 60 metres east of the said junction.
And
North side: between a point 6.5 metres west of its junction with Castle St. to a point 13.5 metres west of the said junction.
And
North side: between a point 18.5 metres west of its junction with Castle St. to a point 26 metres west of the said junction.
And

North side: between a point 29.5 metres west of its junction with Castle St. to a point 40.5 metres west of the said junction

And

North side: between a point 41.5 metres west of its junction with Kelly St. to a point 48 metres west of the said junction.

Barrack St.

South side: between a point at the centre of its junction with the Courthouse Road and a point 51 metres east of the said junction.

And

South side: between a point 60 metres east of its junction with the Courthouse Rd and a point 86 metres east of the said junction.

And

South side: between a point 90 metres east of its junction with the Courthouse Rd and a point 111 metres east of the said junction.

And

South side: between a point 115 metres east of its junction with the Courthouse Rd and a point 130 metres east of the said junction.

And

South side: between a point 138 metres east of its junction with the Courthouse Rd and a point 153.5 metres east of the said junction.

And

South side: between a point 5 metres west of its junction with the Woodford Rd. and a point 56.5 metres west of the said junction.

Old Galway Rd.

North side: from a point 5 metres west of its junction with the Athenry Rd. and a point 82 metres west of the said junction.

And

North side: from a point 97 metres west of its junction with the Athenry Rd. and a point 108 metres west of the said junction.

Old Galway Rd.

South side: from the start of its junction with the Westbridge Rd. to a point 35 metres east of its junction with the Borreen

Kellys St.

East side: from a point 48 metres south of its junction with Main St. to a point 5 metres north of its junction with Barrack street.

And

Kellys St.

West side: Entire west side.

Link Rd.

Both sides.

Dunkellin St.

South side: From a point 134 metres east of its junction with Westbridge to a point 5 metres west of its junction with Castle Street.

And

South side: From a point 5 metres east of its junction with Westbridge to a point 67 metres east of the said junction.

- Dunkellin St.** **North side:** From a point 5 metres east of its junction with Link Rd. to a point 44 metres east of the said junction.
And
North side: From a point 66.5 metres east of its junction with Link Rd. to a point 85 metres east of the said junction.
- Mob Hill** **North side:** From a point 6 metres east of its junction with Dunkellin St. to a point 5 metres west of its junction with Abbey Street.
And
South side: between a point 5 metres east of its junction with Castle street to its junction with Main Street.
- Dolphin Rd.** **North side:** between a point 5 metres east of its junction with the Athenry Rd. and a point 35.5 metres east of the said junction.
And
North side: between a point 41 metres west of its junction with the Abbey St. and a point 80 metres west of the said junction.
- Dolphin Rd.** **South side:** Entire south side
- Dublin Rd.** **North side:** from a point at its junction with the Danesfort Road to a point 70 metres north east of the said junction.
- Kings St.** **East side:** from a point 5 metres south of its junction with Main St. to a point 61 metres south of the said junction.
And
West side: from a point 5 metres south of its junction with Main St. to a point 53 metres south of the said junction.
- Moore St.** **East side:** between a point 5 metres south of its junction with Bride St. and a point 61.5 metres south of the said junction
And
East side: between a point at its junction with the Bohercom Road and a point at its junction with Cross Street.
And
West side: Entire west side.
- Castle St.** **West side:** between a point 55 metres south of its junction with Mob Hill to a point 24 metres north of its junction with Barrack st.
And
West side: between a point 5 metres south of its junction with Mob Hill to a point 21 metres south of the said junction.
- Castle St.** **East side:** Entire east side.

- Cross St.** **North side:** between a point at its junction with Moore St. and a point at its junction with Piggott Street.
 And
 North side: between a point 5 metres east of its junction with Moore St. and a point 49.5 metres east of the said junction.
- Cross St.** **South side:** between a point 5 metres east of its junction with Woodford Road and a point 49.5 metres east of the said junction.
 And
 South side: between a point 8 metres west its junction with Woodford Road and a point 60 metres west of the said junction.
- Church St.** **West side:** between a point 5 metres north of its junction with Barrack st. to a point 38.5 metres north of the said junction
 And
 West side: between a point 5 metres south of its junction with Main st. to a point 32.5 metres south of the said junction
- Church St.** **East side:** Entire east side.
- Mount Carmel Crescent** **East Side:** between a point at its junction with Athenry Road and a point 30 metres north east of the said junction
- Gort Rd.** **North Side:** between a point at its junction with the Boathouse to Westbridge Rd. and a point 35 metres west of the said junction.
 And
North Side: between a point 50 metres west from its junction with the Boathouse to Westbridge Rd. to a point at its junction with the Borreen
- Courthouse Rd.** **North side:** between a point 66 metres east of its junction with the Gort Rd and a point 44.5 metres west of the Boathouse – Westbridge Rd.
 And
