EAST GALWAY LANDFILL LIAISON FUND

Mr. Cullen referred to the initial East Galway Landfill Liaison Committee Meeting which was held on Wednesday, 16th May, 2018 in the Civic Offices, Ballinasloe. Mr. Cullen advised that discussions took place at this Meeting with regard the value of the Landfill Liaison Fund and he stated that it was agreed at this meeting that Mr. Cullen would seek further clarity from the Department of Environment, Community and Local Government with regard to the level of funding which was to be made available to the Local Community via the East Galway Landfill Liaison Fund. Mr. Cullen advised that correspondence from the Department of Environment, Community & Local Government in January, 2015 stated that a contribution of €3 per tonne of waste collected would solely be made available for use by the Local Community. Mr. Cullen stated that the decision of Municipal District of Ballinasloe was whether €1.27 per tonne of waste is to be distributed by the East Galway Landfill Liaison Committee or €3.00 per tonne. In response to Cllr. Finnerty, Mr. Melody advised that it was expected that approximately 320,000 tonnes of waste would be taken in by the Landfill which he stated would equal approximately €1 million for the Liaison Fund. Following discussion, on the proposal of Cllr. Broderick, seconded by Cllr. Finnerty and agreed by all, it was agreed that €3 per tonne of waste collected would be made available to the East Galway Landfill Liaison Fund.
