

**Draft Proposal for the Introduction of a
Traffic Management Measure in Oranmore**

April 2017

Introduction

In response to representations made by County Councillors, Local Residents and users of the public road network in Oranmore, Galway County Council proposes the following Traffic Management Measure which incorporates 2 no. amendments to the existing Traffic Management Plan (adopted on 23rd April 2012).

This Traffic Management Measure comprises

- The installation of 27.5m of double-yellow lining along the southbound lane of the R338 Main Street starting at a point 30m north of the Old Dublin Road Junction and ending at a point 57.5m north of the Old Dublin Road Junction (via a new item to be inserted into *Schedule 1 Parking to be Prohibited at All Times*).
- An additional disabled parking space at the Bank of Ireland on the R338 Old Dublin Road (via a new items to be inserted *Schedule 2 Disabled Persons Parking Spaces*)

Reasoning behind this Measure

- The need to maintain 2-way traffic along the R338 Main Street between Bank of Ireland and the Moorings, to keep traffic flowing easily through the town.
- To give disabled persons better access to the Bank of Ireland and facilities on the northern section of Main Street
